

MRS. BUTTARS' CONDITION.

Victim of the Bridge Accident May Die.

(Special Correspondence.)

Logan, May 31.—A report came here to-day from Clarkston that Mrs. Butters, who was injured on Tuesday by the collapse of the Benson bridge, died of the injuries received this morning. The report cannot be verified, but the physician who attended Mrs. Butters says that her injuries were so serious that fatal results were probable.

It is pretty certain that a heavy damage suit will be planted against the county, as negligence was the cause of the bridge giving way.

President Lucy S. Cardon of the Relief societies of the stake, today turned into the Journal's Scofield relief fund the sum of \$16.40, which brings Logan's total up to about \$1,400.

Mary Lea today filed suit for divorce from her husband William Lea, alleging desertion and failure to provide as the grounds. The couple were married in Logan in 1892, and the woman now lives in Wellsville. There is one child, issue of the marriage and the woman asks the custody of it.
