DAMAGE SUITS IN CACHE.

Logan, Aug. 22.—Sarah K. Buttars of Clarkston today filed suit against Cache county to recover damages in the sum of \$9000, alleged to have been sustained by reason of injuries suffered through the collapse of the bridge over Bear river at Benson last spring. The plaintiff claims that she has been permanently disabled in body and mind and therefore asks damages in the sum named.

Charles W. Buttars, a son of Mrs. Buttars, also brings suit to recover \$1703 damages for injuries inflicted upon him at the same time and place named in his mother's complaint.
