

From Bill Snyder of Ebensburg, Pennsylvania 2003

The following is a translated copy of a page from the family Bible of **Adam Schneider**, you will notice many of the names are not capitalized; this is the way the translator deciphered the "Old German Script" that was used in the olden days. The original copy of the Bible page from which this was translated can be found on the next page. *[possible corrections to transcription are in brackets]*

List (?) (?) I (?) born and how (?) I (?) I (?)

Come am and when I married am and how many children I got
