**MARY MOREHOUSE - A PETITION
FOR A PENSION UNDER THE
FOREGOING**

{Mrs. Elizabeth Sewell, knowing my interest in the Morehouse line, gave me a copy of papers on file for Mary Morehouse, d/o Daniel & Jane. This is the Morehouse family whose home was moved to the Kings Landing Historical Site.}

Following is her petition, and a marriage certificate which represent the file used to secure her pension.

To the Queen's Most Excellent Majesty. May it Please your Majesty.

The humble Petition of Mary Morehouse of the Parish of Queensbury in the County of York, the Province of - New Brunswick. Most Humbly Sheweth -

That Petitioner is the only Daughter of the late Daniel Morehouse {late Quartermaster on the half pay of the Queen's American Rangers} and of Jane his wife, who were lawfully married as by the accompanying Certificate of Marriage will appear.

That Petitioners Father came to your Majesty's Province of New Brunswick in the year 1783, having previously served in the cause of his King, a period of Seven Years in the Revolutionary War in North America and that he was in the receipt of a Quartermaster's halfpay from the time of his arrival in this Province until his decease in 1835.

That the Queen's American Rangers was one of Four Regiments raised during the Revolutionary War in America, who were put on the same footing with regard to pay, Pensions, e&c. as Regiments of the Line raised in Great Britain.

That Petitioners Father has not preferred any claim, neither has received any compensation other than his halfpay and Military Location of Land, for Losses sustained by reason of leaving his native place on account of Loyalty to his Majesty's Predecessors, and attachment to the British Constitution.

That Petitioner's Mother died in 1830, and previous to the decease of Petitioners Father and consequently did not receive any Pensions from Government, and Petitioner being born 1st. April 1784 is now nearly 59 years of age, and being unmarried, is since the decease of her Father dependant on her Brothers for support and maintenance. Petitioner's age precluding her from much exertion in supporting herself.

Your Petitioner therefore most humbly prays Your Majesty to grant her in consideration on her Father's Service and Loyalty to Your Gracious Majesty's Predecessors, such an allowance towards your Petitioners relief, as to your Majesty may seem meet.

And your Majesty's Petitioner as in duty bound will ever pray

-
Queensbury 24th
March 1843 Mary Morehouse

LOYALIST TO ANNAPOLIS {NS} FROM NEW YORK - 1782

Found among the papers of Amos Botsford, at the Public Archives of Canada. This item was submitted by J. S. Hughson. Many of these names appear on land petitions in NB. A careful check should be made to see if they are actually the same persons, or persons with similar names. People who went to NS at times moved on to NB for one reason or another. Nova Scotia was more heavily settled than NB at this time, and much of the good lands had been already granted by the time these Loyalist arrived. Better lands were available in NB, and friend and relatives were often settled there. The winters of 1782 and 1783 were very harsh, and many deaths occurred among the new settlers. Survivors often decided to move away from the coastal lands in NS.

Return of Men, Women & Children arrived at Annapolis from New York 19th Octr. 1782 (360 persons)
