An Inquest was held on 3rd November, and reported in the Altrincham Guardian of November 11th. He was last seen on Friday 29th October taking a tramcar to Sale where, instead of walking to his brother Alan's house in Barkers Lane he turned down Urban Road towards the canal. His body was discovered by a boatman on Tuesday 1st November near Egerton Street, Sale. **12. George Walter Ward**, son of **Walter Ward** and **Mary Ann Bettis**, was born on 22 Dec 1874 in Stratford, Essex and died after 1919.

General Notes: George's census age puts his birth between April 1874 and March 1875. This is before his father's marriage to Susan Bowers so he is a son of his first marriage. The only birth of a George Walter registered in the appropriate period is 1q 1875 Pancras 1b 191, but his father's name is William John so he is discounted.

There is a George William born 21 December 1874 at 13 Waddington Street, Stratford, father George Walter a labourer, mother Mary Ann, formerly Bettis. The time, place and father's name are correct. George Walter's birthplace is given as Stratford on the 1881 census and there is no evidence of George William in that census.

However there is no registration of a marriage between a Ward and Bettis in the 20 years before George's birth (or a Betts in the London area), so it appears the marriage wasn't registered. Although many deaths of a Mary Ann Ward are registered between 1875 and 1879, the only one in West Ham was a little old and married to William. There is one in Whitechapel in 2q 1877 aged 27 that hasn't been checked. Church records have not yet been checked.

- He appeared on the census in 1891 in Leyton, Essex. George (16), born in Stratford, is lodging at 2 Wood Street.

George (36) is a platelayer for G E Railway, living at 2 Granville Street with Emma (31), Hannah (15) who worked in a chocolate factory, George (12), Arthur (9), David (7), and Elsie (2). Another son Frederick was recorded with a note he had died.

George married **Hannah Emma Eliza Betts** on 25 Dec 1895 in Leytonstone, St Margarets, Essex. Hannah was born on 11 Dec 1879 in Stepney, London.

Marriage Notes: Marriage registration 4q 1895 West Ham 4a 138. At the time of the marriage George was living at 1 Lancaster Road, Leytonstone, father George Walter Ward, labourer. Hannah was at 8 Argyle Street, father William, labourer.

# Ancestors of Raymond George Warburton

Noted events in his life were:

- Legacy: May 1806. William becomes eligible to receive part of his inheritance from his father's estate on his youngest sister Jane's 21st birthday. This is one fifth (maybe more if any of his four younger siblings have died) of the proceeds from the sale of the goods and stock from Perrins tenement when the lease expired. Since Jane's date of death is unknown she might already be deceased so he would have received the legacy on his brother Joseph's 21st in February 1804.
- Legacy: 17 Dec 1822. William becomes eligible to receive the rest of his inheritance from his father's estate on his mother's death. This is one fifth (maybe more if any of his four younger siblings have died) of the proceeds from the sale of Houghs in Altrincham, and from his mother's £70 trust fund.
- Tithe: 1838, Hale Barns, Cheshire. William's farm of 104 acres in 23 fields is depicted on the Tithe Map of 1838. His landowner is Isaac Harrop. Part of his farm is now part of Hale Golf course.
- He appeared on the census in 1841 in Hale, Cheshire. Occupation farmer. Ellen, William, Josiah and Wright are living at home.
- He appeared on the census in 1851 in Hale, Cheshire. William, aged 75, is a farmer of 50 acres with 4 servants living at Ross Mill, with his wife Ann (72), plus Ellen (50) and Wright (35), and visitor William Wright (4). The drop in acreage between the 1838 tithe map and this census may be because the former is recorded standard Imperial acres while the census gives Cheshire acres.
- He appeared on the census in 1861 in Hale, Cheshire. William, aged 85, is a farmer with 3 servants living at Ross Mill. Ellen (60), Wright (44), William Wright (14) grandson occupation carter, and William (13) son of Joseph are staying.
- He signed a will in 1862 in Hale, Cheshire. His will leaves everything to his son Wright.

William married **Ann Wright** on 17 Jul 1796 in Manchester Cathedral. Ann was born in 1778 in Bowdon, Cheshire, was christened on 27 Sep 1778 in Bowdon St Mary, Cheshire, died on 5 Oct 1851 in Hale, Cheshire aged 73, and was buried on 8 Oct 1851 in Bowdon St Mary, Cheshire.

Marriage Notes: The parish record shows both to be 'of this (Manchester) parish'. William is a cordwainer. However, circumstantial evidence for this marriage being the correct one includes:

- A William Wright is staying with them in the 1851 and 1861 censuses, described as 'grandson' but he could be a grand nephew. There is no evidence for a daughter marrying a Mr Wright.
- A son is called Wright. There is no evidence of this name being used before.
- Their son Josiah and his wife and daughter are in the Wright grave adjacent to their own.
- The date fits well with the birth of their first child.

IGI has 2 Ann Wrights born in Bowden in 1778/9. She is assumed to be the daughter of James and Martha because their grave is adjacent to hers and William's in Bowdon cemetery.

Children from this marriage were:

- i. **Ann Warburton** was born on 21 Oct 1798 in Bowdon, Cheshire and was christened on 18 Nov 1798 in Bowdon St Mary, Cheshire.
- ii. **Ellen Warburton** was born on 2 Feb 1801 in Bowdon, Cheshire, was christened on 1 Mar 1801 in Bowdon St Mary, Cheshire, died on 4 Jul 1861 in Hale, Cheshire aged 60, and was buried on 8 Jul 1861 in Bowdon St Mary, Cheshire.
- iii. **William Warburton** was born in 1803 in Bowdon, Cheshire, was christened on 29 May 1803 in Bowdon St Mary, Cheshire, died on 21 Jan 1869 in Dunham, Cheshire aged 66, and was buried on 25 Jan 1869 in Bowdon St Mary, Cheshire.

**33. Ann Wright**, daughter of **James Wright** and **Martha Wright**, was born in 1778 in Bowdon, Cheshire, was christened on 27 Sep 1778 in Bowdon St Mary, Cheshire, died on 5 Oct 1851 in Hale, Cheshire aged 73, and was buried on 8 Oct 1851 in Bowdon St Mary, Cheshire.

General Notes: Ann's death is registered in 4q 1851 (Altrincham XIX 1; C BMD ref ALT/7/91). She is buried in grave 1384 (Owen: modern number unknown), with her husband William, daughter Ellen, and son Wright. No age is given.

Ann married **William Warburton** on 17 Jul 1796 in Manchester Cathedral. William was born in 1775 in Hale Barns, Cheshire, was christened on 9 Aug 1775 in Hale Chapel (Unitarian), Cheshire, died on 26 Feb 1862 in Hale, Cheshire aged 87, and was buried on 3 Mar 1862 in Bowdon St Mary, Cheshire.

## 34. William Walton.

General Notes: IGI has no obvious baptism for William, nor a likely wedding for William and Esther. Neither William nor Esther are obvious in the censuses.

William married **Esther Greenhough** on 14 Nov 1797 in Bowdon, St Mary, Cheshire.

Children from this marriage were:

- i. **Martha Walton** was born about 1798 in Carrington, Cheshire, was christened on 28 Jan 1798 in Carrington, Cheshire, and died before 1809.
- ii. **Mary Walton** was born in 1799 in Carrington, Cheshire and was christened on 19 May 1799 in Carrington, Cheshire.

- xii. **Esther Walton** was born in 1819 in Carrington, Cheshire and was christened on 20 Jun 1819 in Carrington, Cheshire.

## 35. Esther Greenhough.

Esther married **William Walton** on 14 Nov 1797 in Bowdon, St Mary, Cheshire.

## 36. James Davenport was born about 1791 and died before 1851.

General Notes: IGI has no obvious baptism for James in the Altrincham area between 1791 and 1795. He is absent from the 1851 census, so had presumably died. Three deaths of a James Davenport were registered at Altrincham in the 1840s (4q 1841 19 4, 3q 1844 19 6, and 4q 1850 19 6).

Noted events in his life were:

- He appeared on the census in 1841 in Ashley, Cheshire. James Devonport (50) is a miller living at Ashley Mill with Sarah (50), Richard (20), Mary (15), Joshua (15) and Sarah (13).

James married **Sarah Pickston** on 21 Sep 1812 in Manchester Cathedral. Sarah was born in 1793, was christened on 29 Sep 1793 in Ringway Chapel, Ringway, Cheshire, and died before 1861.

Children from this marriage were:

- 18 i. **William Davenport** (born in 1818 . christened Bowdon St Mary, Cheshire - died in 1858 in Altrincham, Cheshire)
- ii. **Richard Davenport** was born on 30 Dec 1820 and was christened on 18 Feb 1821 in Hale Chapel (Unitarian), Cheshire.
- iii. **Mary Davenport** was born on 10 May 1823 and was christened on 29 Jun 1823 in Hale Chapel (Unitarian), Cheshire.
- iv. **Joshua Davenport** was born about 1826.

# Ancestors of Raymond George Warburton

- v. **Sarah Ann Davenport** was born on 9 Jan 1828 and was christened on 20 Feb 1828 in Hale Chapel (Unitarian), Cheshire.
- vi. **Ann Davenport** was born on 29 Apr 1830 and was christened on 3 Jun 1830 in Hale Chapel (Unitarian), Cheshire.

**37. Sarah Pickston** was born in 1793, was christened on 29 Sep 1793 in Ringway Chapel, Ringway, Cheshire, and died before 1861.

General Notes: Sarah's baptism is not confirmed but is the only one that fits. She may be the Sarah staying in Bowdon with sister Elizabeth Potter in 1851 but she is not described as a widow. No deaths of a Sarah Davenport were registered at Altrincham between 1841 and 1851, but there were seven between 1851 and 1861.

Sarah married **James Davenport** on 21 Sep 1812 in Manchester Cathedral. James was born about 1791 and died before 1851.

**38. Henry Burgess** died before 1841.

General Notes: Henry Burgess and his wife Mary had 8 children baptised at Hale Chapel. Sarah's dates fit with the Sarah who married Willaim Davenport, and her sister Elizabeth is present in the 1861 census, albeit with a slightly reduced age. A check with the Hale Chapel records is needed to confirm the family were from Styal.

Henry is missing from the 1841 census where Mary is already living with her future husband John Perrin, so he is presumably dead.

Henry married **Mary Roylance** on 24 Aug 1818 in Wilmslow, St Bartholemew, Cheshire. Mary was born about 1798 in Mobberley, Cheshire and died in 1859 in Styal, Cheshire aged about 61.

Marriage Notes: This marriage is the best fit for the parents of Sarah born in 1819, and is further confirmed by the fact Mary named the first son of her second marriage Thomas Roylance.

Children from this marriage were:

- 19 i. **Sarah Burgess** (born on 29 Apr 1819 in Styal, Wilmslow, Cheshire - died in 1901 in Altincham, Cheshire)
- ii. **Mary Burgess** was born on 20 Nov 1820 and was christened on 20 Dec 1820 in Hale Chapel (Unitarian), Cheshire.
- iii. **Elizabeth Burgess** was born in 1822 and was christened on 11 Dec 1822 in Hale Chapel (Unitarian), Cheshire.
- iv. **Hannah Burgess** was born on 1 Dec 1824 and was christened on 14 Dec 1824 in Hale Chapel (Unitarian), Cheshire.
- v. **Henry Burgess** was born on 16 Aug 1826 and was christened on 22 Sep 1826 in Hale Chapel (Unitarian), Cheshire.
- vi. **John Burgess** was born on 22 Sep 1828 and was christened on 19 Nov 1828 in Hale Chapel (Unitarian), Cheshire.
- vii. **William Burgess** was born on 18 Jan 1831 and was christened on 2 Mar 1831 in Hale Chapel (Unitarian), Cheshire.
- viii. **Isaac Burgess** was born on 27 Aug 1833 and was christened on 10 Oct 1833 in Hale Chapel (Unitarian), Cheshire.

**39. Mary Roylance** was born about 1798 in Mobberley, Cheshire and died in 1859 in Styal, Cheshire aged about 61.

## Seventh Generation (4th Great-Grandparents)

**64. John Warburton**, son of **John Warburton** and **Martha Hanson**, was born in 1716 in Hale Barns, Cheshire, died on 16 Nov 1791 in Hale Barns, Cheshire aged 75, and was buried on 20 Nov 1791 in Bowdon St Mary, Cheshire.

General Notes: John's baptism isn't in the parish records at Bowdon, suggesting a non-conformist baptism at home or at Ringway Chapel which was still controlled by dissenters.

Although he is paying rent for Easty Lane tenement his will refers to his lease from John Perrin. The will of Josiah Perrin in 1726 refers to 'my Estate lying and being in Yestow [Eastoe] Lane (formerly call'd Healds)'. Easty Lane was held on a 3 life lease on a low rent of £1 8s 10d, but the year after his death Mary is paying £26. John was the last life so it presumably reverted to a rack rent. Mary was still paying (now £28) in 1807. The lease with John Perrin expired before 1806 as the wording of his will implies it was due to occur before his youngest child, Jane, reached 21. This implies they were two separate leases but doesn't explain why Easty Lane isn't included in the will. It may have already been transferred to his wife.

He was buried in grave P492 "in his 76th year" with his first wife Sarah, and his granddaughter Mary, daughter of Joseph and Grace of Rostherne who died in 1831 aged 15. This makes his birth date 1716, or late 1715.

Noted events in his life were:

- Lease: 22 Jun 1722. John is a life on a lease taken by Isaac Falconer. This is known from the 1764 Rental and Lease abstracts which describes John as a farmer aged 46. He can only have been a boy when the lease was taken.
- Legacy: 13 May 1723. John received £20 from the will of his grandfather James Hanson.
- Legacy: 8 Apr 1729. John was bequeathed £80 in the will of his grandfather Josiah, who died in 1730. He also shared one half of the residue with his father and sister.
- Lease: 7 Nov 1746, Hale Barns, Cheshire. John is party to a lease with John Crewe of Crewe, in which he surrenders and renews the lease on Easty Lane tenement for a fine of £45 and at a rent of 22s 10d per annum. His father John remains a life on the lease and his son Thomas replaces grandfather Josiah as the 3rd life.
- Lease: 24 Feb 1751, Ringway, Cheshire. John leased land for 21 years from the following February 2nd (i.e. to 1773), at a rack rent of £12 1s per annum. This is apparently a lease renewal because the land is Oxheys, which along with Ringway meadow, Aspinnurs and Nine Butts is tenanted by John Warburton (John's father) in the 1726 Survey. Ringway meadow, Aspinnurs and Nine Butts are still tenanted by John's widow Mary in the pre 1807 survey.
- Lease: 4 Oct 1751, Hale, Cheshire. A lease on the moiety of Parker's tenement includes John as a life. This is known from the 1764 Rental and Lease abstracts where John is referred to as John senior aged 47.
- Legacy: 1756. John's father's will left him a Chief Rent of 6s 8d per annum from William Tatton of Withenshaw, his household goods (except the linen and books which were shared with his sister), and half the residue of his personal estate after various legacies were paid.
- Rental: 1764, Hale, Cheshire. The Crewe Rental with Lease Abstracts includes for John:
  - Rent of £1 8 10d on land leased on Nov 7th 1746, i.e. Easty Lane tenement. The increase over the value in the lease may cover the land in Ringway not covered by the 21 year lease below.
  - Rent of £12 1s 0d on land in Ringway leased on Feb 24th 1751 for 21 years.
- Rental: 19 Nov 1773, Ringway, Cheshire. This is first rental where the rental for Oxheys ceases. It is now rented by Peter Goodier. The reference to Ox Hays first appears in the 1772 rental, becoming Ox Heyes in 1773.
- Rental: 1785, Hale, Cheshire. Rentals collected at Martinmas include:
  - John, for late Josiah's tenement called Yester Lane, £1 8s 10d.
  - Benjamin Whitelegg, for 1 acre, part of Parker's late held by John £1 10s 0d, and for part of Parker's leased in 1751 on lives of John of Easty Lane aged 62 (died 1791 according to later note), Joseph Faulkener, and Benjamin Whitelegg (living on premises). Benjamin is described as 'tenant at will' for the part held by John. Rental not noted. Benjamin is John's son-in-law having married his daughter Martha.
- He signed a will on 8 Nov 1791. This was proved on April 21st 1792. He mentions 2 tenements, one in Hale which he leases from John Perrin, and one in Altrincham called Houghs. Executors are Andrew Garner and George Hankinson. The will is complex to ensure the upbringing of his younger children.

John married **Sarah Johnson** on 8 Aug 1736 in Bowdon St Mary, Cheshire. Sarah was born in 1715, died on 15 Aug 1762 aged 47, and was buried in 1762 in Bowdon St Mary, Cheshire.

Marriage Notes: In the parish record John (Jun) is of the parish of Bowdon, Sarah of the same parish, and the wedding is by publication of Banns. The Jun(ior) must be because his father is still alive.

General Notes: Mary was buried in grave P493 "aged 73", with her son Josiah, aged 10 months, and her grand parents-in-law.

Noted events in her life were:

- Rental: 1792, Hale, Cheshire. Mary's name is pencilled in over her late husband's for the rental on Easty Lane tenement of £26 per annum. This has been changed from the £1 8s 10d charged under the 3 life lease in 1785. It isn't known if the term was changed at the same time.
- Land Survey: Abt 1800, Hale, Cheshire. An undated 19th century land survey lists Mary paying rack rent for: House, barn, yard, garden, orchard, Nearer and Further Fields at Door, Sound Field, Eve's Field, Lower Eve's Field, and at Ringway, Ringway Meadow, Nine Butts and Aspinars, total almost 27 acres. Near and Further Fields at Door, Sand Field, Eve's Field, Little Eve's Field, Aspinhurst, Ringway Meadow, Half Acre and Nine Butts, plus Ox Heys and Lamb's Croft are all on the 1838 tithe map.
- Rental: 1807, Hale, Cheshire. The rental includes Mary Warburton, for Easty Lane tenement, except Ringway Meadow, Nine Butts, and Aspinars sold to Mr Egerton, £28 per annum (a further increase). The Crewes sold their Hale estates in 1808.

- Lease: 10 Jun 1708, Hale, Cheshire. John was party to a lease with William Ffrowde for a message in Hale lately occupied by George Parker of Dunham. The 3 lives were James Whitelegg, son of Benjamin, and George and William Parker sons of the late George. A note on the lease of the same date says 'Life added, part of Parker's, rent 13s'.
- Lease: 14 May 1719, Hale Barns, Cheshire. John was party to a 3 life lease from William and Lucy Ffrowde, the other lives being his father Josiah, and son John. This lease is known from its renewal in 1746 by his son John. It is for the land later known as Easty Lane Tenement.
- Lease: 16 May 1719, Hale, Cheshire. John was party to a lease with William Ffrowde for the late George Parker's message in Hale now occupied by John. The 3 lives were James Whitelegg, son of Benjamin, John, and his son John. A note on the lease says 'part of Parker's, rent 13s'.
- Legacy: 13 May 1723. John recieved £50 from the will of his father-in-law James Hanson. His 2 children received £20 each and John was an executor. James left over £1000 and a farm in Mobberley already in the hands of his son James. James himself was living with his daughter Sarah Leicester at the Leicester seat at Hale Low.
- Land Survey: 1726, Hale, Cheshire. A survey of the Crewe lands in Hale and Ringway shows John Warburton as tenant of:
  - 20 acres in Ringway including Ringway Meadow, Nearer and Further Oxhey, Aspinnurs, Nine Butts and Lamb Croft. These fields are identifiable on the 1838 tithe map. Although they were part of a larger farm at that time they are not contiguous, but form 3 distinct chunks.
  - 20 acres in Hale including a house, barn and orchard, Field at Door, Soon'd Field and Evers Field. These fields can be seen on the 1838 ithe map where they are part of a larger farm. They are not contiguous but form 2 separate chunks.
  - 28 acres in Hale jointly with Benjamin Whitelegg including a house, barn and orchard, Barn Field, Middle Field, Bow Croft, Hale Field, Dobb Croft, Greenhale Moor, Middle and Little Hale Moor, and Hale Moor Field. Whilst a number of these names appear on the Tithe Map they form no cohesive entity.
- Legacy: 8 Apr 1729. John was named an executor in his father's will. He also received half the residue of the estate, divided

equally between himself and his two children. Josiah died in 1730.

- Event: 3 Sep 1731, Hale, Cheshire. John was taken to court by John Crewe over £80 10s owed on part of Parker's tenement and part of Hesketh's tenement. This represents rent of £11 10s unpaid for 1726-32. John Crewe repossessed the property and received £49 12s 10d costs.
- Rental: 1734, Hale, Cheshire. The Crewe Rent Books for 1734-7 show:
  - John with a rack rent of £12 0s 8d paid, probably for the land in Ringway.
  - Benjamin Whitelegg for part of Parker's; rest John Warburton 9s 3d per annum, £6 0s 6 1/2d unpaid.
  - Under Hale Old Rents £1 2s 10d per annum, £14 16s 10d unpaid. This is probably Easty Lane tenement.

- Event: 2 Feb 1736, Bowdon St Mary, Cheshire. John with John Hankinson as executors of the will of John of Hale, grant his pew in the gallery of the church to John Birch of Hale for a consideration of £12.
- He signed a will on 7 Mar 1745. The main beneficiaries are his two children. Most interesting is his reference to "that Chief Rent belong to me and due from William Tatton esq of Withenshaw Hall being the sum of six shillings and eight pence yearly", which he bequeathed to his son John together with household goods. He also bequeathed £100 to his daughter Jane Norbury, and after a couple of minor bequests he divided the rest of his personal estate between John and Jane. Son John, and son-in-law John Norbury were executors.
- Lease: 3 Oct 1746, Hale, Cheshire. John was a life on a lease taken by William Garnett.

John next married **Mary**. Mary died before 1756.

Marriage Notes: The existence of Mary is only known from the bequest of one shilling in father-in-law Josiah's will. No wedding at Bowdon matches.

**129. Martha Hanson**, daughter of **James Hanson** and **Unknown**, was born on 14 Sep 1688 in Mobberley, St Wilfred, Cheshire, died on 23 Apr 1719 aged 30, and was buried in 1719 in Bowdon St Mary, Cheshire.

General Notes: Martha was buried in grave P494 with her husband John, and an infant Thomas who is a great grandson. Her age isn't recorded.

Martha married **John Warburton** on 25 Dec 1712 in Mobberley, St Wilfred, Cheshire. John was born in 1680 in Hale Barns, Cheshire, was christened on 23 May 1680 in Bowdon St Mary, Cheshire, died on 12 Mar 1756 in Hale Barns, Cheshire aged 76, and was buried in 1756 in Bowdon St Mary, Cheshire.

## Ninth Generation (6th Great-Grandparents)

**256. Josiah Warburton**, son of **John Warburton** and **Margaret Hardy**, was born on 13 Mar 1658 in Hale, Cheshire, was christened on 6 Jun 1658 in Bowdon St Mary, Cheshire, died on 20 Mar 1730 in Northen Etchells, Cheshire aged 72, and was buried on 28 Mar 1730 in Bowdon St Mary, Cheshire.

General Notes: The parish burial record at Bowden refers to Josiah of Northen parish buried March 28th 1729/30. He is buried in grave P493 "in the 73rd year of his age". with his wife Jane, his great great grandson Josiah (aged 10 months), and his great grand daughter-in-law. The grave has his date of death as 1729. This is on the old calendar when New Year was 21st March. It is 1730 by the modern calendar.

Josiah signed a will on 8 April 1729. The will mentions Josiah's brother John and his wife Elizabeth, showing them to be still alive when it was signed. He bequeathed:

- Twenty shillings to John Coppock; and £80 to each of his children: Bryan William and Jane.
- To daughter Deborah Coppock's children, £80 to Josiah, and £60 to Mary (because he had provided money for the purchase of land at Crossacre which is settled upon her on her mother's death).
- One shilling to son John's wife Mary.
- To son John's children, John and Jane, £80 each.

# Ancestors of Raymond George Warburton

- The interest on £10 to the poor of Hale.
  - The interest on £20 to the nonconformist minister at Hale Chapel.
  - Five pounds to brother John, or if dead, his wife Elizabeth.
  - small amounts to good friend Wiliam Marsh (40s), Hannah Higson daughter's maid (40s) Richard Rylands daughter's man (20s), Rev Mr Worthington at Dean Row (40s), Rev Joseph Hankinson (40s).
  - Twenty shillings for the poor of Etchells.
  - The rest, including chattells, personal estate and Chief Rent to go one half to Deborah and one half divided amongst John and his two children.
- John and Deborah were executors.

Noted events in his life were:

- Legacy: 14 Jan 1686. Josiah is bequeathed 10 shillings in his father's will. The will was proved March 21st 1692.
- Event: 5 Nov 1686, Hale, Cheshire. The first lease to name Josiah as attorney to Lady Lucy Crewe and her husband Charles Turner was on this date.
- Reference: 1693, Hale, Cheshire. R.N. Dore quotes Vicar Hyde naming him as Hale bailiff to the second wife of the late John Crewe, also as "main and chief pillar of the conventicle". Josiah's is referred to as the attorney or agent on leases between 1686 and 1722, the landlord being Lady Lucy Crewe, and her husband, first Charles Turner and later William Frowde.
- Rental: 1701, Hale, Cheshire. A Josiah Warburton is paying 8s 2d per annum rent to the Stamford estate (Dunham Massey) for Brooks Farm, Hale, 18 acres valued at £1 10s 2d. The lease was not renewed after 1704. In Jill Groves notes the value is unknown, the rent is £1 10s 2d, and duties are 8s 2d so maybe I copied it wrongly.
- Lease: 14 May 1719, Hale Barns, Cheshire. Josiah was a life on a lease taken by his son John for a messuage in Hale Barns. This messuage is later known as Easty Lane tenement on Eastoe/Easter Lane (now part of Hale Road). The lease is known from a reference in a later lease. Josiah's grandson John is the third life on the lease.
- Event: 26 Jun 1722, Hale, Cheshire. The last lease to name Josiah as attorney to Lady Lucy Crewe and her husband William Ffrowde has this date. He appears on all the leases since 1686.
- Event: 1723. Josiah was one of the leaders in founding Hale Chapel.
- Event: 1723, Northen Etchells, Cheshire. A Josua signs the Oath of Allegiance in Etchells.
- Inventory: 30 Apr 1730, Northen Etchells, Cheshire. The inventory was appraised on April 23rd 1730 by Josiah and John Hankinson and consists of household items, including books valued at £8, and the sum of £1027 of 'money at interest'.

Josiah married **Jane Hollinpriest** on 12 Feb 1678 in Bowdon St Mary, Cheshire. Jane was born in 1656, died on 30 Sep 1685 aged 29, and was buried in 1685 in Bowdon St Mary, Cheshire.

Children from this marriage were:

- 128 i. **John Warburton** (born in 1680 in Hale Barns, Cheshire - died on 12 Mar 1756 in Hale Barns, Cheshire)
- ii. **Deborah Warburton** was born in 1678, died on 18 May 1737 aged 59, and was buried in Bowdon St Mary, Cheshire.
- iii. **Margaret Warburton** was born in 1682 in Hale Barns, Cheshire, was christened on 25 May 1682 in Bowdon St Mary, Cheshire, died on 7 Aug 1719 aged 37, and was buried in Bowdon St Mary, Cheshire.

Josiah next married **Martha Or Margaret Faulkener** on 25 Dec 1711 in Bowdon St Mary, Cheshire. Martha was born in Northenden, Cheshire, died in 1722, and was buried on 3 Mar 1722 in Bowdon St Mary, Cheshire.

Marriage Notes: This is a possible second wife. A Josiah married Martha Faulkener of Northenden in 1711. We know Josiah finished his life in Northenden. A Margaret Warburton, wife of Josiah, Yeoman of Northenden was buried in 1722. It would seem Martha and Margaret might be the same person.

**257. Jane Hollinpriest** was born in 1656, died on 30 Sep 1685 aged 29, and was buried in 1685 in Bowdon St Mary, Cheshire.

Jane married **Josiah Warburton** on 12 Feb 1678 in Bowdon St Mary, Cheshire. Josiah was born on 13 Mar 1658 in Hale, Cheshire, was christened on 6 Jun 1658 in Bowdon St Mary, Cheshire, died on 20 Mar 1730 in Northen Etchells, Cheshire aged 72, and was buried on 28 Mar 1730 in Bowdon St Mary, Cheshire.

**258. James Hanson** was born in Mobberley, Cheshire and died on 13 May 1723 in Hale Low, Hale, Cheshire.

General Notes: James left a will.

James married

His children were:

- 129 i. **Martha Hanson** (born on 14 Sep 1688 in Mobberley, St Wilfred, Cheshire - died on 23 Apr 1719, buried in Bowdon St Mary, Cheshire)
- ii. **James Hanson** was born in 1681 in Mobberley, Cheshire and was christened on 25 Dec 1681 in Mobberley,

St Wilfred, Cheshire.

## Tenth Generation (7th Great-Grandparents)

**512. John Warburton**, son of **George Warburton** and **Sibill Perrin**, was born in 1608 in Hale, Cheshire, died on 8 Jun 1691 aged 83, and was buried on 10 Jun 1691 in Bowdon St Mary, Cheshire.

General Notes: John is buried in grave P407, though this gravestone is probably not in its original position. He died "in his 83rd year", giving a date of birth in 1608-9.

John son of George is equated with John husband of Margaret because he is likely to have survived to 1667 when the Poll Tax was conducted (though burial records for that period seem to be missing). John son of George is definitely alive in 1662 when he and his wife receive a legacy from the estate of John Eaton. The other 2 Johns in the Hale Poll Tax record can be discounted as one is an unmarried labourer, and the other is a wheelwright who can be identified as a descendent of George's contemporary William the Elder of Hale (d. 1611) through several wills linking that family to the Johnson family. Also John and Margaret, like George, are linked to Hale Barns, specifically in the baptism records of Margaret, George and Josiah.

A John, possibly this one, performed nine appraisals of Inventories in Hale between 1663 and 1679.

The appraisal of John's mother-in-law Margaret Hardy was performed in 1664 by Henry Warburton, raising the possibility he was related, possibly another son who had left home by 1667. However it is more likely he was the brother of John Warburton, wheelwright, whose relationship to John, if any, is unknown.

Noted events in his life were:

- Lease: 1 Nov 1617, Hale Barns, Cheshire. John is a named life on a 3 life lease taken by John Burgess for a messuage in Hale Barns. The other lives are John Burgess and his wife Sibill.
- Lease: 23 Mar 1625, Ringway, Cheshire. John is a life on a lease taken by his father for land previously occupied by Robert Letherborough sen, along with Robert jun. and Ann Hardy.
- Mentioned in will: 17 Apr 1647, Hale, Cheshire. A John, believed to be this John, was a witness to the will of Robert Hollinpriest. A John also witnessed the wills of Andrew Gardner dated Sept. 11th 1641, died 1648, and Elizabeth Goulden dated April 23rd 1649.
- Legacy: 20 May 1654, Hale, Cheshire. Wife Margaret receives bequest of £10 from her father's will, proved Sept 25th 1654 at Westminster. Children also get 6s 8d each.
- Mentioned in will: 12 Jan 1660, Hale, Cheshire. A John is executor of the will of George Goulden, Tanner, of Hale. Thomas is a witness. This is probably John and his son Thomas.
- Legacy: 23 Jan 1662, Bowdon, Cheshire. There is a bequest of 10s to John and his wife in the Inventory of John Eaton, his brother-in-law.
- Hearth tax: 1664, Hale, Cheshire. There is a reference to a John with 2 hearths.
- Poll Tax: 1667, Hale, Cheshire. Three John's are mentioned in Hale. The first is a labourer, unmarried. The second is a wheelwright and linked to William Warburton the Elder (died 1611) via a number of legacies from the Johnson and Coppock families. The third is this John. His wife and his 7 children are also listed.
- He signed a will on 14 Jan 1687 in Hale Barns, Cheshire. His wife and five sons receive bequests. There is no mention of his 2 daughters (Deborah is known to be dead). All the sons are also executors, except George (who was also not an executor on brother Enoch's will). This might imply that George did not live near, or he wasn't considered capable of performing the role.
- Inventory: 1691, Hale Barns, Cheshire. His inventory (date unclear) consists mainly of household items, farm implements and some crops in the ground valued at £88 17s 0d.

John married **Margaret Hardy**. Margaret died on 3 Oct 1696 and was buried in Bowdon St Mary, Cheshire.

Children from this marriage were:

- Thomas Warburton** was born in 1638 in Hale, Cheshire, was christened on 23 Nov 1638 in Bowdon St Mary, Cheshire, died on 1 Dec 1710 in Hale Barns, Cheshire aged 72, and was buried on 1 Jan 1711 in Bowdon St Mary, Cheshire.
- Margaret Warburton** was born in 1641 in Hale Barns, Cheshire, was christened on 20 May 1641 in Bowdon St Mary, Cheshire, and died before 1687.
- Deborah Warburton** was born after 1641, died in 1677 in Hale, Cheshire, and was buried on 21 Sep 1677 in Bowdon St Mary, Cheshire.
- John Warburton** was born about 1648 in Hale, Cheshire and died after 1729 in Mobberley, Cheshire.
- George Warburton** was born in 1654 in Hale, Cheshire, was christened on 8 Oct 1654 in Bowdon St Mary,

- Cheshire, and died after 1686.
- 256 vi. **Josiah Warburton** (born on 13 Mar 1658 in Hale, Cheshire - died on 20 Mar 1730 in Northen Etchells, Cheshire)
- vii. **Enoch Warburton** was born in 1662 in Hale, Cheshire, was christened on 16 Oct 1662 in Bowdon St Mary, Cheshire, died in 1692 in Mobberley, Cheshire aged 30, and was buried on 2 Jul 1692 in Mobberley, St Wilfred, Cheshire.

**513. Margaret Hardy**, daughter of **James Hardy** and **Margaret**, died on 3 Oct 1696 and was buried in Bowdon St Mary, Cheshire.

Noted events in her life were:

- Legacy: 2 Jan 1646, Hale, Cheshire. Henry Hardy, Margaret's uncle bequeathed monies owed to him by various parties to be divided between 4 nephews and neices, including Margaret. His inventory showed debts owing of £56 3s 5d.
- Legacy: 20 May 1654, Hale, Cheshire. Margaret receives bequest of £10 from her father's will, proved Sept 25th 1654 at Westminster. Children also get 6s 8d each.

Margaret married **John Warburton**. John was born in 1608 in Hale, Cheshire, died on 8 Jun 1691 aged 83, and was buried on 10 Jun 1691 in Bowdon St Mary, Cheshire.

## 11th Generation (8th Great-Grandparents)

**1024. George Warburton**, son of **Thomas Warburton** and **Alice**, was born about 1575 in Cheshire, died in 1639 in Hale Barns, Cheshire aged about 64, and was buried on 24 Jun 1639 in Bowdon St Mary, Cheshire.

General Notes: George is identified as the father of William of Northenden by the reference to John Eaton in the wills of both George and William.

George is identified as the brother-in-law of Thomas Perrin in the later's will. Either George's wife Sibill was Thomas's sister, or Thomas's wife Sibill was George's sister, or both.

The sequence of his daughters is based on the order they are mentioned in his will. Ellen is probably last because she is unmarried, not necessarily the youngest.

The 2 leases that George is a party to, and that mention John as a life, probably represent secondary ventures rather than his main land holding.

George signed a will on 6 August 1638. This will is the main evidence for the existence of his children. Five daughters, 4 sons-in-law, and 2 sons are named as beneficiaries, with John being the main heir.

Georges's Inventory was appraised on 28 June 1639 by James Hardy, John Burgess, William Ashley and George Warburton. This is probably the George of Hale who signed the Grand Remonstrance in 1642, and who appraised may wills in Hale up to 1639. No other evidence of him has been found.

The effects were valued at £304 1s 8d and included a horses, cattle (20), sheep (21), two pigs, poultry and geese, plus produce, farming equipment and spinning wheels and books. He also had a five year lease on a tacked of ground (2 closes) that was part of the tenement of John Burgess (probably the tenement on which George's son John was a life), plus a close of grass from John Duncalfe. He was also owed £40 by his son John.

Noted events in his life were:

- Lease: 1 Nov 1616, Hale Barns, Cheshire. George leased land from Sir Baptist Hicks, formally occupied by widows Elizabeth Antrobus and Alice Holt. The lease is 99 years or 3 lives (sons William and Thomas, and William Barrett). Elizabeth Antrobus' husband John's will in 1612 makes a bequest to William and Margaret Barrett. Therefore William Barrett is already linked to the property. This is possibly the William Barrett who was a Civil War preacher at Ringway chapel.
- Lease: 1 Nov 1617, Hale Barns, Cheshire. John son of George Warburton is a life on a lease taken by George Burgess.
- Mentioned in will: 6 Feb 1624, Hale, Cheshire. George is mentioned in the Nuncupative will of Thomas Perrin. He heard the deceased's wishes, is described as his brother-in-law, and is named executor. He made his mark.
- Lease: 23 Mar 1625, Ringway, Cheshire. George leased land from Sir Baptist Hicks in Ringway formerly leased by Robert Leatherborough (Leatherbarrow). It is a 99 year lease with 3 lives (son John, Robert Leatherborough jnr. and Ann Hardy). George's son John later married Margaret Hardy, but her relationship to Ann is uncertain.
- Accounts: 8 May 1628, Bowdon, Cheshire. Accounts of Sibell Eaton formally Barrington - daughter, These accounts include references to a payment due by George Warburton dependant upon the death of Thomas Warburton, and a claim by

# Ancestors of Raymond George Warburton

George against John Barrington's estate.

George married **Sibill Perrin**. Sibill was born in Hale, Cheshire, died in 1653, and was buried on 27 Oct 1653 in Bowdon St Mary, Cheshire.

Children from this marriage were:

- i. **Sibill Warburton** was born about 1600 in Hale, Cheshire and died after 1667.
- ii. **William Warburton** was born about 1600 in Hale, Cheshire and died in Jul 1639 in Northenden, Cheshire aged about 39.
- iii. **Jane Warburton** was born in 1601 in Hale, Cheshire and died after 1639.
- iv. **Anne Warburton** was born about 1603 in Hale, Cheshire and died after 1639.
- v. **Margaret Warburton** was born about 1605 in Hale, Cheshire and died after 1639.
- vi. **Thomas Warburton** was born about 1605 in Hale, Cheshire and died before 1639 in Hale, Cheshire.
- 512 vii. **John Warburton** (born in 1608 in Hale, Cheshire - died on 8 Jun 1691, buried in Bowdon St Mary, Cheshire)
- viii. **Ellen Warburton** was born about 1610 in Hale, Cheshire and died after 1639.

**1025. Sibill Perrin** was born in Hale, Cheshire, died in 1653, and was buried on 27 Oct 1653 in Bowdon St Mary, Cheshire.

Noted events in her life were:

- Mentioned in will: 4 Jul 1639, Northenden, Cheshire. Sibill is said to be in joint possession of Hill Top house tenement in Hale with her son William.
- Rental: Abt 1644, Hale, Cheshire. Rent Roll, Sibill is named as a tenant on an undated rent roll from the reign of Charles 1. This might be the land leased in 1616, though since all the known leases George was involved with included non-family lives, it is possible they were additional to his main holding.

Sibill married **George Warburton**. George was born about 1575 in Cheshire, died in 1639 in Hale Barns, Cheshire aged about 64, and was buried on 24 Jun 1639 in Bowdon St Mary, Cheshire.

**1026. James Hardy** died in 1654 and was buried on 26 May 1654 in Bowdon St Mary, Cheshire.

James married **Margaret**. Margaret died in 1664 and was buried on 10 Mar 1664 in Bowdon St Mary, Cheshire.

The child from this marriage was:

- 513 i. **Margaret Hardy** (died on 3 Oct 1696, buried in Bowdon St Mary, Cheshire)

**1027. Margaret** died in 1664 and was buried on 10 Mar 1664 in Bowdon St Mary, Cheshire.

Margaret married **James Hardy**. James died in 1654 and was buried on 26 May 1654 in Bowdon St Mary, Cheshire.

## 12th Generation (9th Great-Grandparents)

**2048. Thomas Warburton** was born about 1550, died in 1635 aged about 85, and was buried on 14 Jan 1635 in Bowdon St Mary, Cheshire.

General Notes: The evidence for believing Thomas might be George's father is as follows:

The reference in Sibil Eaton's accounts of 1628 to 'certain articles that George Warburton shall pay unto George Birch and George Burgess £20 within six months next after the decease of Thomas Warburton, which Thomas is still living', implies a link between a George and a Thomas. Although there is evidence of 3 George's in Bowdon parish at this time (2 of them in Hale), the further reference to George taking action for a debt adds to the view that Sibil's marriage portion to her deceased first husband John Barrington may be involved. Also the dependence on Thomas's death implies an expected inheritance.

George is linked to George Burgess in a lease from 1617 where George Burgess is the tenant, and George's son John Warburton is a named life. In George's will he is leasing land from George Burgess. In Thomas's Inventory he has a lease from William Duncalfe, and George in his Inventory has a close from John Dunclafe. The relationship between William and John Duncalfe is not yet known.

Finally Thomas and George are both linked to Hale Barns.

Since George's children are born from around 1600 onwards his birth must be before 1580 (say 1575), so Thomas must have been born around 1550, making him in his 80's at death.

Noted events in his life were:

- Mentioned in will: 1604, Hale Barns, Cheshire. He was an overseer and witness to the will of Robert Barlow, who died in 1611. Thomas is described as 'of Hale Barns'.
- Mentioned in will: 1624, Hale, Cheshire. He and Thomas the younger are witnesses to Richard Grantham's will. Thomas

# Ancestors of Raymond George Warburton

the Younger might be a brother of George's, or maybe his son, Thomas's nephew. There is no other evidence of Thomas the Younger so he is presumed to have died without issue.

- Inventory: 20 Jan 1635, Hale, Cheshire. Thomas's Inventory is appraised by James Hardy, William Hardy, James Coe and John Litherland. His effects were valued at £98 9s 6d and included horses (2), cattle (6), sheep (6), a pig, poultry (7) and geese (4), plus produce, farming equipment and a spinning wheel. He also had a four year lease on a tacked of ground (half a close) from William Duncalfe. The date is given as 1634 on the Inventory because prior to 1752 New Year was towards the end of March. By convention this date is normally rendered as 1634/5, but in this tree all such dates are only rendered according to the modern calendar.

Thomas married **Alice**. Alice died in 1650 in Hale, Cheshire and was buried on 13 Jun 1650 in Bowdon St Mary, Cheshire.

The child from this marriage was:

- 1024 i. **George Warburton** (born about 1575 in Cheshire - died in 1639 in Hale Barns, Cheshire)

**2049.** **Alice** died in 1650 in Hale, Cheshire and was buried on 13 Jun 1650 in Bowdon St Mary, Cheshire.

General Notes: The identification of Thomas's wife as Alice is based on Norman Warburton's book in which he details Thomas's Inventory and refers to his widow Alice. I don't have this reference on my copy of the Inventory but have yet to check the original.

Given that if Thomas is George's father he probably died in his 80's, a widow would probably be a second wife, and not the mother of George. There is no direct evidence that the Alice buried in 1650 is this one, but it's the only likely one on record.

Alice married **Thomas Warburton**. Thomas was born about 1550, died in 1635 aged about 85, and was buried on 14 Jan 1635 in Bowdon St Mary, Cheshire.
