Notes for Etta Churchill:

Originally, I thought that Hannah and Etta were different people, but Hannah only occurs in the 1871 and 1881 censuses and Etta occurs only thereafter. Further, both parents' obituaries name 4 daughters surviving (although only "Mrs. whatever" was given in most cases) and no mention of a predeceased child is made in either one.

Year	age	given year of birth
1871	8	1862
1881	14	1866
1891	19	1871
1893	25	1863
1901	29	1871
1911	37	1873
1943		1862

I have chosen to use the day and month as given in the 1901 census, but the year as implied from the 1871 census and from the tombstone.
