## *Generation No. 1*

1. MATTHEW<sup>4</sup> JOHNSON, SR (*WILLIAM<sup>3</sup>, CHRISTOPHER<sup>2</sup>, JOHN<sup>1</sup>*) was born 03 Feb 1838 in Trafalgar, ON, CA<sup>1,2,3,4,5</sup>, and died 08 May 1927 in L5 Bk2 C3 Binbrook Twp., Wentworth Co., ON, CA<sup>6,7</sup>. He married JEAN YOUNG<sup>8,9</sup> 13 Mar 1862 in Knox Presbyterian Church, Binbrook, ON, CA<sup>10,11</sup>, daughter of ANDREW YOUNG and MARY BUCHANAN. She was born 09 Feb 1842 in Binbrook Twp., Wentworth Co., ON, CA<sup>12,13,14,15</sup>, and died 22 Jan 1911 in Binbrook Twp., Wentworth Co., ON, CA<sup>16</sup>.

Notes for MATTHEW JOHNSON, SR:

RN 359- Matthew Johnson Sr was married by Rev George Cheyne, Presbyterian Church, Binbrook, Ont. to Jean Young. Her brother gave her 6 1/4 acres of land, and they farmed there, raising a family of 11. Harley Johnson, a grandson, lives there today after buying it in 1920. Matthew Sr. was injured in a calf pen a week before he died aged 89 yrs, 3 months, and 5 days old.

Johnson Family Reunions started in 1885, apparently always in the form of a dinner on New Years Day. Harley Johnson was born in 1899 and he remembers the dinner in 1911. His grandmother, Jean Young Johnson, was ill, and the family posed outdoors for a large group photograph. A copy of this photograph is in the possession of Glen Johnson, a great-grandson. The ailing grandmother was carried outside and placed in a chair, while the rest grouped around her. You can see snowflakes evident in the photograph. She died 11 days later. This picture was taken at their home Lot 5, Con 3, Block 2, Binbrook, ON.

Harley Johnson has in his possession (1995), minutes of these reunion dinners, starting in 1931, and by these minutes it is ascertained that the reunions started in 1885, on the home farm. There were a total of 70 reunions with the last occurring in 1954 when a vote was taken to discontinue the reunions.

On a personal note, I, Clara Redden, remember attending these dinners which were held in the Memorial Hall in Binbrook at that time, which would be in the 1940's and 1950's. I seem to recall that my mother told me that my father went, but that she did not attend the reunion in January of 1938, as my birth was imminent. (I made my debut the next day)

There is also a picture of the family standing outdoors in summer on pg 112 of "Binbrook, the Way we Were". It is believed to have been taken in 1944 or 45.

He married LAZELLE ECKER<sup>173,174</sup> 20 Feb 1907 in Ecker home, Binbrook, ON, CA<sup>175,176</sup>, daughter of RICHARD ECKER and LODEMA KRICK. She was born 10 Oct 1884 in Binbrook Twp., Wentworth Co., ON, CA<sup>177,178,179</sup>, and died 21 Aug 1982 in Hamilton, ON, CA<sup>180</sup>.

Notes for MATTHEW JOHNSON, JR:

RN 370- Matthew Johnson Jr bought his farm in Binbrook March 3, 1909. The following is copied from the deed: "Sold by Elizabeth Duffy, Binbrook (widow of William Henry Duffy), James B Duffy, Hugh D Duffy, William J Duffy and Catharine M Duffy (presumably these last 4 are her children - Clara's note) to Matthew Johnston Jr. of Township of Binbrook, farmer and his wife Lazelle Johnston for \$4000. This farm in the Township of Binbrook, County of Wentworth, Province of Ontario, known as the south 3/4 of Lot 2, Block 3, Concession 3, Township of Binbrook, containing and admeasurement of 150 acres, more or less. Excepting therefrom 30 acres of said land, conveyed by William Henry Duffy (in his lifetime) to one William Weaver. October 8, 1959, an affidavit was sworn to by Matthew and Lazelle that the spelling of the name should have been JOHNSON not Johnston."

Matthew Johnson Jr later sold 50 acres to Bill Weaver, leaving 100 acres more or less (it turned out to be more). Mr Weaver wanted only 50 acres, so the property was surveyed and he bought it. The Weaver farm abutted the farm at the back. The property lines between most farms in that block form a straight line, but the Johnson farm jutted back farther than the others, as a result of the sale of the 50 acres. Bill Weaver was the father of Morley Weaver who later owned that farm.

Matthew was in need of money to pay off the mortgage on this farm, so no doubt this sale was a big help. He raised pigs and would sell one or two, and then go to pay cash on the mortgage (his son Kenneth remembers this). All around the margin on the deed are notes and dates when each small payment was made.

The farm originally consisted of 200 acres and in 1800 was owned by Eva Strawn. The small front corner lot where the Catholic Church and cemetery was, had been separated and donated to the church by the Duffy family in 1843 or previous to that.

The barn on the property was built by Tom Butler in 1919. Tom Butler married Celeste Johnson. Celeste and Tom Butler are buried in Presbyterian Church Cemetery, Binbrook Road, Ont. From the 1997 booklet for the 143rd Binbrook Fair, he was its secretary from 1906 to 1917.

Notes for LAZELLE ECKER:

RN 442- Lazell Ecker married Matthew Johnson Jr in 1907. They farmed in Binbrook and raised 3 children, Florence, Kenneth and Aileen. Lazell enjoyed gardening and I (granddaughter, Clara) remember

helping her to pick black currants, husk corn, and shell the peas. She preferred the vegetables to be picked, prepared and eaten immediately while they were at their freshest. Later, when she judged that I was old enough for the responsibility of picking raspberries, to earn some money for myself, she encouraged me by going with me to pick raspberries at the Marshall farm. We picked for 5 cents a pint.

My father, Kenneth, has a vivid memory of his mother Lazell, in the dining room of the Ecker farm, tying her youngest brother, Clifford's, tie before his wedding to Olive Martin. Olive soon put an end to any more visits.

(Grace and Kenneth happened to meet by chance at a yard sale at Ralph Hillgardner's in 1995. The above information from Grace.)

Burton Johnson and his cousin Kenneth Johnson used to go skinny dipping in Mackenzie Creek near Caledonia Ont.

**33.** FLORENCE EDITH<sup>6</sup> JOHNSON (*MATTHEW<sup>5</sup>, MATTHEW<sup>4</sup>, WILLIAM<sup>3</sup>, CHRISTOPHER<sup>2</sup>, JOHN<sup>1</sup>*) was born 23 Mar 1908 in Binbrook, ON, CA<sup>404,405,406</sup>, and died 14 Nov 2004<sup>407</sup>. She married (1) WILLIAM ARCHIBALD MCNEELY 22 Dec 1928 in Binbrook, ON, CA<sup>408</sup>. He was born 14 Jul 1906<sup>409</sup>, and died 19 Apr 1991<sup>409</sup>. She married (2) CLARKE MCCREADY 18 Apr 1953 in Kingston, ON, CA<sup>410,411</sup>. He was born Abt. 1910<sup>412</sup>, and died 05 Jan 2006<sup>413</sup>.

Notes for FLORENCE EDITH JOHNSON:

Florence Johnson had just been teaching for about 6 months when she became pregnant. She married Archie McNeely against the advice of her parents. At that time, Archie worked as a teller in the bank and policy was that tellers could not be married. That meant that he lost his job as well. He did not find it easy to keep employed at that time.

On Aug 24, 1931, Matthew bought 12 Minto Ave. in Hamilton for them to live in. Possibly, they were already renting the house when the owner died, as the purchase was from the estate of Albert E Webber. In 1934, Lazelle Johnson was added to the list of owners. On Aug. 1, 1941, the property was sold to Catharine Gumpson for \$2000, and Matthew and Lazelle held the mortgage for \$1500 at 5%, in semi-annual payments of \$50 plus interest on Feb 1 and Aug 1. The Mortgage maturity date was Aug 1948, however, it was recorded as paid off Nov 27, 1949. See FILE1089 for documents relating to this property.

The Hamilton Directories show Mrs. M Arnott as resident at this address in 1930. The 1931 directory shows Archd McNeely, bookkeeper at Westinghouse, as resident, and the star next to his name shows that a family member owns the property. He is the occupant of this address until 1938 In the alphabetical section, Florence is given in parentheses after his name. In 1934, he was clerk at Barton Pharmacy, and in 1936, he had moved to Sawyer-Massey. See pages 27 and 28 of notebook #7.

When she divorced Archie the two oldest children chose to live with her, and the two youngest chose to live with the father. Her mother, Lazelle, cut Archie's picture off or out of any photograph in her possession after the divorce.

Until 1938, they lived on Minto Ave in Hamilton in a house that her father bought for them. Then they moved to Kingston, ON. She still lives there in 2004.

**34.** ROBERT KENNETH<sup>6</sup> JOHNSON (*MATTHEW<sup>5</sup>, MATTHEW<sup>4</sup>, WILLIAM<sup>3</sup>, CHRISTOPHER<sup>2</sup>, JOHN<sup>1</sup>*) was born 24 Mar 1910 in Binbrook, ON, CA<sup>418,419</sup>, and died 21 Dec 2006 in West Haldimand Hospital, Hagersville, ON, CA<sup>420</sup>. He married MABEL IRENE DAVIS 15 Dec 1934 in St Paul's United, Tragina Ave, Hamilton, ON, CA<sup>421</sup>, daughter of RICHARD DAVIS and CLARA BARKER. She was born 09 Apr 1914 in Hamilton, ON, CA<sup>422</sup>, and died 13 Oct 2005 in West Haldimand Hospital, Hagersville, ON, CA<sup>423</sup>.

Notes for ROBERT KENNETH JOHNSON:

RN 375- Kenneth Johnson: During the winter of 1929/30, there was a lot of snow beginning on Dec 1st. Everybody was snowed in. Kenneth Johnson and his uncle Clifford Ecker went by horse and cutter to Hannon, several times during that winter on Sundays, to court their girls, Irene Davis and Olive Martin.

He began collecting licence plates with the plate from his father's 1919 Grey Dort. He has a plate for every year since that time.

Florence, Kenneth and Aileen were all born on the Matthew Johnson Jr farm, Lot 2, Concession 3, Block 3, Binbrook, Ont. This was a farm of about 100 acres in size.

Matthew Johnson farmed here and later Kenneth took over. They got the telephone put in in 1917 and they were the first ones on the road to do so. Kenneth remembered that he went to a nearby farm, Doug Laidman's, to tell them that the war was over because Laidmans did not have a phone yet.

One time when Florence and Kenneth were little they walked from home to their grandpa Ecker's farm. On the way they stopped at the corner store in Binbrook (Nat Switzer's) to buy candy for their uncle Clifford who was about the same age as Florence. They had only a button to pay for the candy so the storekeeper called their home. They were allowed to continue on to Cliffords.

During a family get-together on the occasion of Kenneth and Irene's 60th wedding anniversary, he and his sisters, Florence and Aileen, reminisced about when they were going to school. They lived at the time on what we always referred to as 'the 100 acre farm', and they had to pass by 'the 50 acre farm' on their way to SS No 3 school. There was a log house on this farm where James Moore lived and he had a large black dog that they were afraid of.

Elmer, the brother of Matthew Jr, bought 100 acres in 1921, and moved a frame house there, and added two rooms and the stairs on the east side. This land was eventually separated into two parcels, and Kenneth bought half of it in 1934 when he married. This '50 acre farm' was Lot 3, Concession 3, Block 3, and was owned by Kenneth until 1973.

This frame house was my birthplace (Clara Johnson Redden). As a child, I always wondered why the house was built with a step-up in the hallway upstairs. The house being built, moved and added to, would explain this mystery.

In later years this '50 acre farm' was scary to my children as well. When they were going to Binbrook Bellmoore School in the 1960's they had to pass this farm. A grove of trees had been planted next to the road on the west side of the property and they said it always looked so dark and scary among the trees that they would run by that section.

Kenneth and Irene moved to the 100 acre farm when he took over the farm. They remodeled the old farm house in 1947. The cows were sold when he developed back problems, but he continued with the growing of grain and hay. This was around 1947 and then he worked for the Federation of Agriculture and National Film Board. He showed movies at the schools in Wentworth County and was paid once a month. In 1955 or 1956 he started driving the school bus for Wills Motors and drove for 20 years.

When Kenneth and Irene moved from their '100 acre farm' in 1994, it was surveyed and consisted of 103 and one half acres. A picture of the house and barn is on pg 7 of "Binbrook, the Way we Were" (There is a gap behind the house where the maple tree stood, so the picture must have been taken in the late 1960s). Another picture of the barn is on pg 8.

Kenneth sometimes took his sister, Florence, back to the boarding house for her teacher's school. One time, the Grey Dort car didn't have enough power to go back up the mountain, so he bought a head gasket and installed it.

Notes for MABEL IRENE DAVIS:

RN 388- As a teenager Irene Davis came to the conclusion that there were already enough babies in the house. Soon after that, baby brother Richard arrived. Everywhere she went she had to take a little sister or baby brother along.

When visiting her aunt Edith Hillgartner in Binbrook, she frequently saw a handsome young man who passed by on his way to play baseball. After being warned not to marry a farmer, because a city girl could just not adjust, she married him anyway. Soon she was able to milk cows, drive the tractor and pluck chickens as if she had been doing it all her life.

Kenneth bought a 50 acre farm in Binbrook early in 1934 at a cost of \$2500.00. The original down payment was \$500 and \$400 of this was borrowed from Kenneth's grandfather Milan Ecker. There was a 20 year mortgage, payments were \$139 (and a few cents) once a year. These payments were due once a year at the end of May. Taxes on this farm were about \$50.00 and they were due December 15th each year (their wedding anniversary date).

In spite of the fact that it was the depression years, and because Kenneth had bought a farm, they were married Dec 15 of that year. The wedding was held in Hamilton. Irene made and decorated her own 3 tier wedding cake. The two families had a dinner in Hamilton at her parents home. It rained, hailed, or snowed all day. They left for a wedding trip to Detroit in a '29 Chev. They spent one night in a hotel on the way, and then 2 nights at a cousins, and 2 nights at a friends home in Detroit. A funny thing happened while they were staying at the friend, Pearl Jones, house. She worked and each morning she got up and packed a lunchpail for her husband and he would leave for his job. Then she would leave, and the husband would return home, and lounge around all day, leaving just before she would come home, then returning with his empty lunchpail. This put the honeymoon couple in a rather embarrassing position, not knowing if they should tell or not (they did not tell).

When they arrived in Detroit on the 17th, they noticed that stores had just begun to decorate for the Christmas season. On returning from the honeymoon they lived temporarily with his parents for a short while, before moving into their own home. They had only coal oil lamps for many years before the electricity came down that road.

Later they bought the 100 acre farm owned by his father. Her hobbies are making quilts and giving them away. Many nieces and grandnieces have received these quilts as wedding gifts, and all the grandchildren each have one. She collects salt and pepper shakers and buttons. Also she has been interested in genealogy and collected pictures and information about her family's ancestors as well as her husband's.

As a young child she often visited her grandfather Barker's farm, first when he lived on Moote Rd then when he lived on Robinson Rd, near Dunnville, Ont. Apparently, one time when she was only 5 or 6 years old, she wandered off down the road to visit an old bachelor gentleman. Her grandparents were considerably worried. Her older brother Theo, told her this in recent years; of course she has no memory of it. In a strange coincidence, the place she wandered off to was Eckerville. This was a settlement of 5 houses on Moote Rd, all owned by Eckers. These Eckers may have a family connection to Milan Ecker, grandfather of her husband Kenneth.

In 1950, Irene was a lady director of the Binbrook Agricultural Society - see CLIP0031
