## Generation 2 (con't)

Notes for Moses Christopher Johnson:

In the 1891 census entry, his father is given as born in England and his mother as born in Wales. Both are known to be true.

The Southampton Circuit records Moses & Mrs. Johnston as "received from Tara" some time after June 1891 when it was formed. They are again recorded in 1898 and about 1904, the latter time with their daughters Keturah and Mary. This last entry is why I believe that this is not Moses, senior. In 1908 Minnie (Minerva) and Nebbie (Annetta) are added to the list.

They are listed again in the 1911/12 list for Elsinore. Here it is noted that Mrs. Johnston died in Apr 1914.
