Evidence of Marion Burkett

I was sleeping
up stairs when mother
called me but father
died before I got down
stairs. I know he went to
Santon he did not tell
me anything about
feeling bad. He told
me he was bothered
about his heart a good
deal in this last year.
Did not tell me
of his being treated
by Dr. for heart trouble

Exhibit of Guy M. Dennis
Grandpa was dead
when I went into the room I
got up the minute grandma
called me.

Did you ever hear grandpa
say anything about getting
medicine of Dr. Nessy or,
I saw grandpa sit
down the winter one
time about three
weeks ago on account
of difficult breathing.
He complained of short
ness of breath.

Mrs. Agnes Burket, she went
to Lawton come back for
supper did not complain
of anything went to bed
before I did, could not
lay on right side he laid
his hand over on me was
turning I said now what
~~was~~ the matter this was
about 8 o'clock in evening.

Had been treated
by doctor for heart trouble
general health up to this
time was pretty good
heart has troubled him
for over one year, had
difficult breathing

had a smothering a full
two weeks ago. I was
in bed with him at time
of his death. I asked him
what was the matter and
he just drew one more breath.

Age of child 73 years
3 months and 17 days.

The nurse had very much
trouble he seemed to be
about as stout as ever
he could not do any
work on account of his ~~trouble~~

He was at Monterey
to see Dr. Taylor about
his heart Wednesday
No one else was in room but me

I thought he might die
some time of his heart trouble
but not so sudden.
