Newark Man Stricken At Auto Races

Paul T. Johns Dies En Route To Hospital After Viewing Wreck

Rushing to what looked like a serious accident Sunday afternoon at the Mound Auto Race track east of Newark, Paul T. Johns, 26, was stricken with a heart attack and died a short time later in an automobile en route to the City hospital.

His death is the second in the family circle in less than three weeks, his nephew, Gerald Johns, Jr., 3-year-old son of his brother, Gerald Johns, 408 Woods avenue, was drowned in Log Pond run May 31.

Johns, resident of 46 Gay street, a foreman at the Owens-Corning Fiberglas company, accompanied by his wife and Mr. and Mrs. Charles Thomas, relatives, drove to the track earlier in the afternoon to witness the races.

Suddenly a car driven by Clifford Warthen went out of control and turned over several times, and Johns with others started toward the car to give assistance. He collapsed and Dr. O. A. Skinner, who was near, announced that his condition was serious and arranged for his removal to the hospital. A physician pronounced Johns dead when he arrived there. Warthen, driver of the racing car, suffered only minor

injuries.

Johns' relatives said he had arisen at 3:30 a. m. Sunday and made a fishing trip to Buckeye lake, returning before noon, and was apparently in his usual health when he started for the track.

Born March 25, 1914, in Newark, he was the son of the late Clyde Johns. Surviving are his widow, Mrs. Margaret Johns, and three children, Marilyn, 5, Robert, 3, and Barbara Ann, aged 1 years; his mother, Mrs. Marie (Thomas) Johns of North Cedar street, and one brother, Gerald Johns of Newark.

The body was moved to the Egan & Son funeral home and will be taken to the home in Gay street late this afternoon. Funeral arrangements have not been completed.

Child, Aged 3 Drowned In Stream Here

Boy Falls Into Log Pond Run; Drifts Four Blocks

Jerry Johns, 3-year-old son of Mr. and Mrs. Gerald Johns, 408 Woods avenue, drowned in Log Pond run Friday afternoon. The child had been playing with other children at the Woods avenue bridge. He became separated from his playmates and accidentally fell off the bridge at 1:40 p. m. into the swift-running waters. He was carried four blocks down stream to Buckingham street, where Samuel Honenberger, 65 Shields street, carried the child out of the water at 2:05.

City Fireman Samuel Pfeffer and Capt. Dwight Jones, with the inhalator, worked until 2:55, but were unable to revive the victim. The firemen were assisted by Drs. Paul Grove and James Johnson.

The body was removed to the Egan & Son's undertaking rooms where it was viewed by Acting Coroner Dr. Paul C. Keller, who rendered a verdict of accidental drowning.

This is the first drowning in the city this year. The happening recalls a similar incident in a flood of 1918, when Councilman Frank P. McNealy, while fishing for driftwood in the same stream lost his balance, fell in and was drowned. His body was carried to the American Bottle company yards, more than a mile away, and was not recovered until 10 days later, after the waters had receded.

The child was born Aug. 5, 1937, in Newark, and besides the parents, Mr. and Mrs. Gerald Johns, leaves the grandparents, Mr. and Mrs. Orvil Lambert and Mrs. Marie Johns of Newark.

The body will be returned to the home, 408 Woods avenue, today from the Egan funeral home. The funeral will be held Monday at 9 a. m. in St. Francis de Sales Church...
