

COMPILATIONS IN THE SW GENEALOGICAL SOCIETY QUARTERLIES

The Southwestern Genealogical Society Quarterly was published from winter 1984 (Volume I, Number I) through Fall 1994 (Volume XI, Number IV). Copies are in the public libraries in Murphy, Hayesville, Andrews, and Robbinsville. Each of these 44 issues has a surname index at the back. A book was compiled from copies of these surname pages plus the table of contents. The book is at the four previously-mentioned libraries and the Family History Center at the Church of Jesus Christ of Latter-day Saints in Peachtree, NC.

This is a list of the topics contained in these quarterlies. Family histories or surname articles are not listed here, but can be found in the surname lists in the newsletters.
