

1901 Census for England, Wales and Scotland

The names are indexed initially by Country (England/Wales/Scotland), then County, then Placename within County, and then in household groups. Those on board ships are placed after Scotland. If you contact me by email where there is a specific entry you need, I will email you the full information, free of charge. The second section is sorted in alphabetical order.

Berkshire, England

Name		Id. No.	Age	Place of Birth	Rel.	Place of Residence	County
