In just 9 months our sixth international Guédry & Petitpas Reunion will occur. It'll be on Saturday, 17 August 2019 at Summerside, Prince Edward Island. With this Reunion we will have met in all of the Maritime Provinces of Canada. This issue of *GENERATIONS* has updated information about the Reunion. Come meet your cousins from throughout North America and have a great day socializing and learning a bit about our family. You can register online at the CMA2019.org website or by mail using the attached form. Either way – do it soon so we can better plan the Reunion. After the reunion why not hang around a bit and visit with your cousins. We will have snacks and drinks (soft and hard), available at the nearby bar as we wind down. Local laws do not permit us bringing our own drinks into the venue. So plan on staying a bit after the Reunion and visit with your cousins as we all relax.

We plan to have several books available for sale at the Reunion. Bernard Geddry (a.k.a Bernard dit Grivois) of Arizona will have his novel *Nuclear Deception*. Mark Labine will have at least two of his books available for purchase – *La Verdure de Miriligueche* and *Oak Island*. Finally, Mark and I are compiling all of the past issues of “*GENERATIONS*” into a 5-volume set for the Reunion. We are publishing the newsletters as they appeared between 1998 and 2018 (no editing) with two detailed indexes (topical and contents).

For several months our two family websites have not been available on the internet due to issues with the host site Rootweb. The issues have been resolved and you again can access the websites at these links using the normal links or the tinyurl links:

<http://freepages.rootsweb.com/~guedrylabinefamily/genealogy/> (Family Website)

<https://tinyurl.com/GuedryPetitpasfamily> (Family Website)

<http://freepages.rootsweb.com/~guidryrm/genealogy/Guedry-Labine/> (Genealogy)

<https://tinyurl.com/Guedry> (Genealogy)

In addition to information on our upcoming Reunion, this issue of *GENERATIONS* announces the 2018 inductees in the Les Guédry et Petitpas d'Astcur Circle of Distinction. Our Guédry-Petitpas family has so many people who have brought true distinction to our families through their vocations, avocations and the way they have lived their lives. This year's inductees are no exception. Six truly exceptional folks are being inducted in 2018. Read about them and be proud of our heritage.

This issue of *GENERATIONS* has a brief article identifying sites in Canada's maritime provinces touched by our Guédry and Petitpas ancestors. These are a few places to visit while attending Congrès Mondial 2019 in August. And don't forget to try a recipe or two from “Bon Appetit” while you read one of the books highlighted in the “Book Nook”. Of course, my favorite section of *GENERATIONS* is always the interesting news articles in “Historical Tidbits”.

On 13 April 2019 we will have our annual Guidry-Breaux-Hebert get-together in Breaux Bridge. It's a day of meeting cousins, sharing genealogy and enjoying ourselves. All is free to attendees including lunch. Place to be announced in January. **Also, while in New Brunswick this summer, consider attending the FREE Broussard family get-together on 14 August 2019. For more info visit <http://cma2019.ca> then Family Reunion then Broussard.**

[NEW INFORMATION SINCE THE LAST NEWSLETTER IS INCLUDED IN RED]

In approximately **9 months** we will gather again for another Guédry & Petitpas Reunion at Congrès Mondial Acadien 2019. Thanks to all who have registered already. We really appreciate your timeliness.**

The Congrès Mondial Acadien 2019 will occur between 10 - 24 August and encompass Prince Edward Island (PEI) and south-eastern New Brunswick (NB). This will be the first CMA at Prince Edward Island. TRAVEL TO PEI

If you are travelling to PEI via automobile, you must enter PEI either via auto ferry (Caribou, Nova Scotia to Woods Island, PEI) or the Confederation Bridge (8 miles; Cape Jourimain, NB to Borden-Carleton, PEI). Both routes cross the Northumberland Strait. There is no cost to take either means to enter PEI. Returning from PEI to the mainland, however, does have a toll. The 2018 toll for an automobile on the Confederation Bridge is \$47.00 Canadian; the 2018 toll rate for an auto leaving PEI via the auto ferry is \$78.00 Canadian. The Confederation Bridge is open 24 hours per day, 365 days per year. The ferry schedule is at: <https://www.ferries.ca/ns-pe-i-ferry/schedule/>.

The Congrès Mondial Acadien staff plans to hold the major activities at PEI from 10 – 14 August 2019 and the remainder of the activities from 15 – 24 August in New Brunswick to minimize the need of crossing to and from PEI. The Confederation Bridge is owned by an outside organization and they will not reduce fares for the Congrès Mondial. Because the Guédry & Petitpas Reunion will be on Saturday, August 17th, we would encourage folks to plan their stay on PEI around this date so they can enjoy our Reunion.

We will provide more information on Acadian and non-Acadian sites to visit on Prince Edward Island and southeast New Brunswick in future issues of "GENERATIONS". We'll also include two Guédry sites of the 1750s. Here are a few highlights for Prince Edward Island:

North Cape Coastal Region (Evangeline Region)

The northwestern third of Prince Edward Island is where most of today's PEI Acadians live. A drive along Highway 11 will pass several interesting Acadian sites including Mont-Carmel (Mont-Carmel Catholic Church), Cap-Egmont and, Abram-Village (Village Musical Acadien). Also visit Tignish (founded in 1790s by 9 Acadian families; St. Simone & St. Jude Catholic Church; the Green archeological site) on Highway 2 at the north end of the cape. The two most common Acadian names that you will encounter on PEI are Arsenault and Gallant (Haché-Gallant).

Miscouche, PEI

Acadian Museum (Excellent museum of Acadian history and artifacts; A Must-See)

GUÉDRY & PETITPAS REUNION

Saturday, August 17, 2019

The Slemon Park Hotel and Conference Centre is a full service hotel for those wishing to stay there during all or part of the CMA 2019. <http://slemonparkhotel.com/hotel/>

As the Reunion nears, we will have more information about our plans for the day.

For history buffs, Slemon Park Hotel and Conference Centre is on the site of the old Royal Canadian Air Force (RCAF) Station Summerside that was built in 1940. Originally it was an RCAF training base for pilots and navigators. Gradually the base grew in size and significance and in 1968 was renamed Canadian Forces Base Summerside and its mission changed to search and rescue. Other mission changes occurred during the next twenty years until 1989 when CFB Summerside closed. In 1992 Slemon Park Corporation purchased the closed base and built the Slemon Park Hotel and Conference Centre as well as other businesses on the property. They also operate a private airport on the site. In addition, visitors can tour the Airport Heritage Park with several vintage aircraft. This link briefly discusses the history: <http://www.slemonpark.com/about/history.php>

It is not too early to begin making plans to attend the Guédry & Petitpas Reunion and the Congrès Mondial Acadien 2019. You can register online at:

BON APPETIT

5 lbs collard greens (about 6 bunches), cleaned
1/2 lb pancetta, cut into 1/2" pieces
12 cloves garlic (1bulb), coarsely chopped
1/2 tsp crushed red pepper (optional)
2 cups chicken broth
1/4 cup balsamic vinegar
Salt and pepper to taste

Fold each collard green leaf in half; slice away the tough center stem. Stack the leaves; roll tightly; slice into 1/2-inch ribbons.

In an 6-to 8-quart pot cook pancetta over medium heat for 8 minutes or until crisp and browned; remove cooked pancetta with a slotted spoon. Drain pancetta on paper towels; set aside. Add garlic and 1/2 teaspoon crushed red pepper to drippings in pot; cook for 2 minutes.

Add about half of the sliced collard greens to pot. Pour in chicken broth and vinegar. Cover and let cook 5 minutes to allow the collards to cook down. Add remaining collard greens. Cover and bring to boiling. Reduce heat and simmer on low for 20 to 30 minutes or until greens are tender, stirring occasionally. Season to taste with salt and black pepper. Top with cooked pancetta and additional crushed red pepper, if desired.

Most recipes used in Bon Appetit are from 'The Guedry-Labine Cookbook-A cookbook for and by descendants of Claude Guedry and Marguerite Petitpas, 2004'. After 16 years, we have used most of the recipes submitted to create our cookbook. It's time to bring in some new flavor to our Bon Appetit page. If you have a favorite family recipe that you'd like to share, we would love to feature it in one of our future issues.

Scott Pettipas – A native of New Glasgow, Nova Scotia, Scott Pettipas has become a self-taught, award-winning guitarist. Scott did not begin playing guitar until after graduating from high school when he taught himself to play by ear on a twelve-string guitar. Soon his creativity blossomed forth and he began spending up to 14 hours a day practicing, learning guitar theory and perfecting advanced pieces. Influenced by great guitarists as Chuck Berry and John Fogerty, Scott transitioned to electric guitar in the late 1990s and expanded his acoustic songwriter genre to include traditional East Coast music to electric blues. Honing his skills further, Scott learned opening/alternate tuning and how to arrange and play both rhythm and melody on a single guitar. In 2002, while in the Canadian Armed Forces, Scott began playing classical guitar and began arranging more complex pieces.

Scott Pettipas has recorded two instrumental albums *Scott Pettipas* (2010) and *Melodic Twilight* (2012) which won “Instrumental Album of the Year” at the 2013 Canadian Gospel Music Awards. Two of his songs have won “Honorable Mention” at the Indie International Songwriting Contest – *Meandering Through Marseille* in 2012 and *Winterspell* in 2014. In 2017 two other songs of Scott’s were selected as finalists for the Hollywood Songwriting Contest – *Ohio 1930* and *Freedom Summer*. Scott Pettipas currently lives in Calgary, Alberta with his wife and daughter.

Elvord Floyd Guidry

Elvord Floyd Guidry – Born in 1947 in Louisiana, Floyd Guidry, son of Norciss Guidry and Agnes Stevens, has had a distinguished career in the chemical industry business. After graduating from the University of Southwestern Louisiana (now the University of Louisiana at Lafayette) in 1970 with a chemical engineering degree, Floyd was a chemical engineer at several international chemical companies including Dow Chemical, Ciba-Geigy, Novartis and BASF where he gained experience in both the engineering and business aspects of the industry. At BASF he was the national sales account manager for several international customers including Scott’s Miracle Grow and Kodak. With a co-worker Floyd discovered a process to treat industrial waters to prevent scale formation and remove residual scale present. They received a patent for the process in 2003. After forty years in the chemical industry Floyd retired in 2007 to North Carolina with his wife Eresterine. Shortly after retirement Floyd re-entered the industrial world when he founded NorAg Technology, L.L.C. in 2007. With its headquarters in Jamestown, NC and manufacturing facilities in Pelham, NC, NorAg Technology manufactures cleaning solutions, agricultural products and custom-

manufactured materials for distribution worldwide. The qualified staff backs up their products by assisting customers with technical challenges and providing hands-on service. As president and chief executive officer, Floyd handles both the tactical and strategic aspects of the NorAg Technology business. Floyd and Eresterine are highly involved in their community – participating in community activities and supporting area foundations and organizations.

Gregory Mark (Greg) Guidry – Born on 23 January 1954 in St. Louis, MO, Greg Guidry was a singer, songwriter and pianist on the national stage. He began singing gospel songs as a child with his family. After taking piano lessons in his teens, Greg sang with local bands throughout his high school and college years. After college he started composing songs with his friend Rich Lang and in 1977 signed a contract with CBS Songs Publishing. Many recording artists including the Climax Blues Band, Ronnie Dupree, Exile, Johnny Taylor, Sawyer Brown and Reba McEntire have recorded Greg's songs. Greg signed a recording contract in 1982 with Columbia Records and that year released his first solo album *Over the Line* – singing in his trademark West Coast style. Considered one of the finest LPs of the 1980s, this album had two hit songs *Goin' Down*, which reached #17 on the U. S. Pop Charts in 1982 and *Into My Love*, a duet with his sister Sandy, #92 on the charts. During the 1980s Greg concentrated on songwriting and began his own publishing company

Gregory Mark (Greg) Guidry

"Send Us Music, Inc.". In this venture he worked with many well-known recording artists including the Allman Brothers Band, Johnny Cobb, Charlie Daniels, John Ryan and Chip Young. In 2000 through his GMG Productions label, Greg Guidry released two very successful albums *Soul'D Out* and *Greg Guidry: Private Session*. Tragically, on 28 July 2003 the music world lost a great talent when Greg Guidry died in Fairview, TN at the age of 49.

James Ray (Jim) Guidry

James Ray (Jim) Guidry – A pioneer in the developing technological news industry, Jim Guidry began his life's journey on 6 July 1942. Born and raised in Port Arthur, TX, the son of Joseph Guidry and Mary Patin, Jim inherited an avid interest from his father in following the news. During his teenage years he began to hang out at the local radio station KOLE and with the help of the staff gained invaluable experience that laid the foundation for his life's work. Working in the news business at KULF radio in Houston, TX from the mid-1960s to the mid-1980s, Jim's inherent honesty and fairness in reporting earned him the respect and friendship of people from community leaders to the local populace. Here he pioneered the development of modern broadcast techniques as cassette recorders. Soon he was known as the dean of Houston's City Hall News Corps. Moving to Galveston, TX in the late 1980s, Jim restarted his radio news reporting for KGBC radio where his expertise in the workings of govern-

ment made him invaluable to the local community. He also became very involved in community volunteer work at this time – serving in leadership positions of many civic organizations. In 1996 two important events occurred for Jim. He married Lynda Weatherford and he recognized the impact of the emerging internet and its possibilities for the news industry. That year he launched his highly successful Guidry News Service (GuidryNews.com – The Online News Station) – a comprehensive, subscription-based news service carried solely on the internet. In 2009 Jim and Lynda moved Guidry News Service to Houston which offered a broader region of coverage and a larger market. Jim was a strong supporter of his Guidry family and proud of his roots. On 21 January 2016 Texas and the Guidry family lost an outstanding newsman, human being and friend when Jim succumbed to complications from a recent operation.

BOOK NOOK

A Distinct Alien Race **The Untold Story of Franco-Americans** *by David Vermette*

In the later 19th century, French-Canadian Roman Catholic immigrants from Quebec were deemed a threat to the United States, potential terrorists in service of the Pope. Books and newspapers floated the conspiracy theory that the immigrants seeking work in New England's burgeoning textile industry were actually plotting to annex parts of the United States to a newly independent Quebec. Vermette's groundbreaking study sets this neglected and poignant tale in the broader context of North American history. He traces individuals and families, from the textile barons who created a new industry to the poor farmers and laborers of Quebec who crowded into the mills in the post-Civil War period. Vermette discusses the murky reception these cross-border immigrants met in the USA, including dehumanizing conditions in mill towns and early-20th-century campaigns led by the Ku Klux Klan and the Eugenics movement. Vermette also discusses what occurred when the textile industry moved to the Deep South and brings the story of emigrants up to the present day. Vermette shows how this little-known episode in U.S. history prefigures events as recent as yesterday's news. His well documented narrative touches on the issues of cross-border immigration; the Nativists fear of the Other; the rise and fall of manufacturing in the U.S.; and the construction of race and ethnicity.

Acadian Christmas Traditions

by Georges Arsenault

Based on written sources and interviews with Acadians throughout the Maritimes, *Acadian Christmas Traditions* offers a fascinating look at the evolution of Christmas. This very readable book shows how customs, both spiritual and secular, take hold in families, in villages, and in a culture as a whole.

Georges Arsenault, the well-known historian and folklorist, examines all the aspects of the feast of Christmas, from midnight mass to holiday foods. As he chronicles the cultural changes that have taken place over the centuries, he proves that Acadian Christmas today is the result of a wonderful blending of old, new, and borrowed traditions.

A TRAGEDY AT RACELAND

An unfortunate tragedy occurred last Friday morning at Raceland, Dr. John Gazzo, in self-defense, being compelled to kill Clairville Guidry. It seems that Guidry had been abusing his wife and Dr. Gazzo being called upon went to her assistance. This infuriated Guidry, who got his gun and pursued Dr. Gazzo. The latter gentleman went to his home and armed himself and then returned to the street, with the hope of inducing Guidry to behave, but Guidry was bent on trouble and fired at Dr. Gazzo, who returned the fire with the result that Guidry was killed.

Dr. Gazzo surrendered to the authorities. He was given a preliminary examination and placed under a \$1,000 bond.

Dr. Gazzo is a prominent gentleman and this is the first time he has ever had a serious difficulty. It is to be regretted that he had to kill a man, whose wife he was trying to protect.
