HAWKINS HERITAGE

Published by The Hawkins Family Organization
Olyve Hallmark Abbott, Editor

PURPOSE: The Hawkins Family Organization began in 1985. It is conducted by mail and has no scheduled meetings. The purposes are: To promote genealogical research on Hawkins families and related lines; to promote and share family history; and to strengthen extended family ties.

NEWSLETTERS: HAWKINS HERITAGE is published three times a year in April, August, and December. All members are encouraged to contribute letters and material to the editor. It is preferable if you type your material, but if not convenient, please share it anyway.

QUERIES: Members are also encouraged to send queries to the editor.

MEMBERS AND SUBSCRIPTIONS: HAWKINS HERITAGE was begun with the hope of identifying the parents of James and Margaret ? Hawkins, b. c1765 and 1768, probably in Virginia. Taxation records show that they lived in Stafford CO Virginia from 1793 until 1825, when they migrated to Clark CO Kentucky. One son, John R., married into the Hawkins/Bourne line, which may be a connecting branch of the above James. Because of an apparent need for "group" research, our publication is now open to descendants of all Hawkins lines.

Individual membership and subscription is \$12 per year. Contributing Membership and subscription is \$20 per year (may vote).

Subscriptions begin with the April issue. Subscribers during the membership year may receive back issues of the current year or begin with the next year and pay for any single back issues, which are \$4 each. The 1st issue was December 1986; 2nd, April 1987; 3rd, 1988; continuing with August and December from then on.

PEDIGREE SERVICE: You are welcome to send your Hawkins pedigree chart to be checked with our collection. You will be given any additional information which we might have on file, that would match up with your own. Your chart will be filed for possible future contact. Our Hawkins ancestor files deal mostly with Hawkins of the south and southwest, although not entirely. Cost of this service is \$1 to cover search and photocopies, plus an SASE.

QUERY

WILLIAM HAWKINS -- ELIZABETH BARTLETT

I recently received a letter from Lu Ann Hawkins. If all the clues continue to fall into place, the Hawkins she is researching connects with the line of several of our members. Her William Hawkins, born 10-May-1841 in Bath CO KY, and d1911 in Palmer, IL. He married Elizabeth Bartlett on 12 Mar 1863.

Their children were Sarah, b1862; Laura b1866; Charles b1868 (m. c1895 #1 wife unknown; #2 Della Gilbert c1896, and #3 Ellen Jacobs Stinett 1909); Walter b1871; James b1874; Ida b1877; and George b1879. Lu Ann sent descending line of Charles Hawkins. Taylorville, IL is the town in which most of these Hawkins lived. Many were buried in Oak Hill Cemetery.

I believe her William Hawkins, b1841 in Bath CO, to be the son of Walter R. Hawkins, one of the five "R" brothers, William R., John R., James R., and Moses R. Lu Ann's address is 532 Webster St., Mishawaka, IN 46545.

Frederick W. Hawkinson - Fred Hawkins

Antona Hawkins Richardson, 317 South Owasso Blvd., St. Paul, MN 55113-2119, sent an interesting comment on variations of names. In old records we have seen Hawkins as Hawkings, Hockins, Hawke, etc., but a reminder is always good to check all spellings. Antona has been a resident of Minnesota for many years, and is aware of the diversity of Scandinavian naming practices of immigrants.

I'll quote from her letter: "A Frederick W. Hawkinson, later known as Fred Hawkins, was born 5 November 1859 in Cannon Falls, Minnesota, son of Nels and Eva C. Hakanson. His older brother was Oscar John Hawkins. After years as a widower, on 25 February 1909 he married Jeanene Montour, a woman 26 years his junior. He died in Minneapolis on 15 May, 1920."

This man named Fred led an exciting life, both within and without the law. As Antona says, this story is ". . . well told in the article 'Fred Hawkins Comes to Town,' by Scott D. McGinnis, in the newsletter Lakeshore Living of October, 1994.

My Schultz ancestors came from Germany, changing the spelling to the Americanized *Shults*. I have seen 48 different spellings and/or variations for that surname. Sometimes when an European spelling is Americanized to be spelled "Little," it also becomes "Small." That's something to think about when looking in old records. -- Olyve

GENERAL JOHN PARKER HAWKINS

- His correspondence -

Excerpts from the collection of letters of John Parker Hawkins, who researched his family through much correspondence, are included in this issue. The general's original correspondence is in the Kentucky Historical Society in Frankfort. Copies are in a few libraries across the country.

From ELIJAH HAWKINS

Hannibal, Mo., August 23, 1891

My Dear Cousin John,

... I was truly glad through your kind letter of the 18th inst. to hear from you again ... Pappy took great interest in his family and its traditions, hunted up his kin-people and believed in them - was willing and anxious to "cousin" with any of them ...

In his family Bible written with his own hand I find the following memorandum. 'Jameson Hawkins was born on Virginia. Ruth Ann Threlkeld was born in Virginia. Fielding Bradford was born Feb. 17th, 1767, in Virginia. Elenor Smith Barbee was born Jan'y 30th, 177 in Virginia - was married Feb. 1st, 1790.

NOTE: Also written in "papy's" hand was ... "Their ancestors among the first emigrants of England to Virginia and these to Kentucky." The letter continues: "Rodes Smith was born in Virginia March 29th, 1766, and served in the Revolutionary War. This man was my mother's Grand Father. Her other three Grand Parents were from Virginia from the record in our family Bible."

The writer of this letter says the family Bible of his Grandfather Elijah Hawkins, "is now in the hands of his daughter Francis Catherine Marnell, living in Nebraska City, Neb." Elijah also describes the story of Jameson Hawkins who rode a sturgeon across the shoals of the James River at Richmond, VA. This was mentioned in one or two other letters. A son of the elder Elijah was in the War of 1812, and his son Benjamin was in the War with Mexico. General John Parker Hawkins, Benjamin, George William Hawkins, and Elijah, writer of this letter, all served in the Civil War.

"... My wife and mother and family unite with me in affectionate regard to Cousin Jami, Cousin Mag and Cousin John and yourself. Ever truly yours. Elijah Hawkins."

NOTE: All through the letter collection, General Hawkins inserted brief notations, either verifying or correcting certain bits of information written by his correspondents. -- Olyve

A second letter from Elijah Hawkins was written Oct. 4th, 1891:

"My Dear Cousin,

... Yours of the 25th ult. is received. Since writing you last, my sister Jenny received a letter from Cousin Mary S. Hawkins at Lexington, Mo., from which I quote.

'Our Great Grandfather was twice married. His name was John, his first wife was Margaret Jameison, she had two sons, Jameison and Philemon. His second wife was Sallie Johnson who had two sons, John and William. daughter Suey Thomas, Fanny Cason, Betsy Faulkner. Great Grandfather fought in the Rev. War. Our Grandfather was too young ...

... Cousin Sallie Long is the oldest of Gabriel Hawkins' children and she may know where John Hawkins the father of Jameson lived - probably Virginia. Probably Margaret McCarty (Aunt Mag) and Cousin Mag Harrison got their names from Margaret Jameison the first wife of John the revolutionary soldier.

I would suggest that you write to Cousin Lucretia Freeman (widow) Galesburg, Ill. She was Miss Angles and married at Keithsburg, Ill. ... Very truly yours. Elijah Hawkins.

NOTE: General Hawkins adds the notation that "the proper spelling is *Jameson*, not *Jamieson* or *Jameison* ... He mentioned that in Scotland, it was pronounced as *Jimison*, the customary pronunciation in the General's family.

From JOHN THRELKELD

Bohon, Mercer County, Kentucky
December, 1891

Mr. John P. Hawkins
Dear Sir.

... In regard to the Hawkins family - we have a lady living in Bohon, by the name of Hawkins. Col. Hawkins' widow, formerly of Munday's Landing - she is not at home at present. She has a son, Dr. Jimmey Hawkins, of Lexington, Ky., a very prominent physician. If you will address him he will give you all the information concerning his family ... Let me ask you what you are striving for? It can't be honor or fame, for the Threlkelds and Hawkins' have both of them - and if it is money, I wish you success. All you can have - and divide with your poor kin.

Yours very respectfully,
(sign.) John Threlkeld

Written for him by his daughter, Judy M. Wheeler

NOTE: Other letters in the collection indicate General Parker's desire was to prove descendancy from Revolutionary soldiers.

From NATHAN M. PALMER

Warrenton, N.C.
Jan'y 12, 1892

Gen'l. John P. Hawkins
San Francisco, Cal.

My Dear Sir -

... I can with pleasure, refer you to several members of the Hawkins family of which not only our County is proud but our state is glad to own them as among its leading citizens ...

I take pleasure in referring you to Mr. M. J. Hawkins Attorney at Law, Ridgeway, N.C., who is one of the most influential, wealthy and high toned men of our section ... I also refer you to Dr. Wm. J. Hawkins who resided in our County up to a few years ago and now lives in Raleigh, the Capital of our state, and is President of the Citizens National Bank and was also former President of Seaboard Airlin (Sic) Railroad.

I will mention Mr. Rufus Hawkins, a young attorney of our town, Warrenton, N.C. Also his brother, Mr. Sam Hawkins, a young attorney of Littleton, Warren County, N.C.

... Any references I can make will be done with the greatest pleasure.

Yours very truly
(sign.) Nathan M. Palmer

From JNO. J. HAWKINS

A short letter from John J. Hawkins, Jan. 15, 1892, from Prescott A. T., was addressed to the general in the Phelan Build'g in San Francisco. He would send information when he received an answer from his uncle. A later newspaper clipping, dated Sept. 14, 1893, was attached to his letter:

NOMINATIONS AND CONFIRMATIONS

John J. Hawkins, of Arizona Territory, to be associate justice of the supreme court of Arizona Territory. John J. Hawkins of Prescott, is a Missourian by birth, and is about forty years of age. He has been in Arizona many years, and at present is a member of the upper house of the Legislature. He has had a fine law practice in the Territory.

J. W. HAWKINS

Leland Hawkins, P.O. Box 646, Redlands, CA 92373, sent information concerning J. W. Hawkins, of Orange County, CA. Your editor has printed some of the highlights. Further information on this J. W. Hawkins is in The Historical and Biographical Record of Southern California, by J. M. Guinn, A.M., Chapman Publishing Company, Chicago, 1902.

James W. Hawkins was elected supervisor in 1890 at the first general election in Orange County. He continued to fill the position for several years.

Four brothers, natives of England, found the Hawkins family in Virginia. Samuel Hawkins, Sr., moved to Kentucky, then to Preble County, Ohio. A volunteer company was begun because of Indian "troubles," and he was elected captain. Mr. Hawkins died from a wound he received in one of the battles.

His son, Samuel, Jr., born in VA, grew to his manhood in KY and OH. He removed his family in 1834 to Shawneetown, Illinois and later to Perry County where they lived on a farm in Pinckneyville. He died there at seventy-five. He married Elizabeth Vance Colville, born in Bull Run, Virginia, and died at seventy years in IL. They had four sons and two daughters. Apparently at the time of this writing, the surviving children were J. W., the youngest, and Mrs. Isabella Hagler of Denver. A brother, M. C., served in the Mexican War.

J. W. Hawkins was born 2 August 1832 near Eaton, in Preble County. When he was twenty years old, he and friends took a yoke of oxen, crossing the plains to California. He lived an interesting life by becoming a California miner, then headed for Panama where the ship faltered off Acapulco. Changing ships, he later arrived in New York City, then returned to IL.

About 1875 he returned to California, settling on a ranch in Garden Grove. He became president of the Garden Grove Irrigating Company. J.W. had married in Illinois in 1867 to Martha E. Miller, born in Alabama and died in California in 1880. Their children were: Oliver B., Elizabeth V. (Mrs. Wm. M. Helleker), and Rebecca V., (Mrs. C. A. Robison) of Garden Grove.

Ms. Abbott;

I have enclosed copies from a book that I recently had access to. The part III explains somewhat the nature of the entries. For readers of the newsletter whose ancestry point toward Maryland as a point of entry to this country, this could be quite a help. Over a fifty year period, the index records some 21,000 individuals. The percentage of Hawkins among this group amount to approximately 1/10 of a percent. For those whose earliest known relative was John, you have your pick of John Hawkins, since there are seven all at different times. Note also that a sea captain by the name of Daniel Hawkins was all ready settled in New England but by his transporting others to the New World, acquired land in Maryland in 1663.

Sincerely,

Tim Johnson

Since Hawkins Heritage was originated with the hope of identifying the ancestry of James and Margaret Hawkins, born ca. 1765 and 1768, we are including this family group sheet. That original idea has grown into many different Hawkins lines, and we anticipate correspondence from all Hawkins descendants! We hope that in your own researching, you will keep a corner of your thoughts open for this particular family. We now know that Sarah Barnett, w/o John R., is from the same Hawkins line as many of our HH members. Perhaps James is also.

BONUS ISSUE

Joan George, membership chairman and treasurer of *Hawkins Heritage*, will share with us her compiled Hawkins ancestry chart of Sarah Barnett, wife of John R. Hawkins. Sarah "Sally" born 1804, was daughter of Elizabeth "Betsy" Bourne and William Hawkins. The line goes back to the infamous Sir John Hawkins in England. Many of our subscribers have contributed information connecting with this chart. This "bonus" issue, along with your regular membership issues, will be published in 1996.

GRANDFATHER'S EARS

Now Granddaddy Jim
Had a wonderful chin
Full of character, noble and strong
And Grandmother Rose
Had a very fine nose
That was neither too short nor too long.

Granny Jean's eyes
Were full of surprise,
Delightful for all to behold.
And Uncle Mack's brow
Would do a boy proud,
Or even a girl, so I'm told.

Now I'll say, bye the bye,
We can hold our heads high
With any clan in our great nation;
But our greatest of fears
Is that Great Granddad's ears
Will come to plague each generation.

In the photos he sat
In his great bowler hat
Beneath which his ears looked like wheels,
"Like some cart or a dray
Gone driving away,"
We said between laughter and squeals.

Dear Aunt Sudie Kate
Was rewarded by fate
With a face like a Sistine Madonna;
But each ear like a knob
Stuck out from her bob
And utterly changed her persona.

And when first Cousin Lou
Said, "How do you do?"
The one thing you noticed, I'll risk it.
Was not his great smile
You could see for a mile
But his ears that stuck out like two biscuits.

Great Granddad is gone
But his memory lives on
In ways that can cause us all tears;
For when each babe is due
We all pray anew,
"Oh, please, NOT Great Granddaddy's ears!"

Welcome to The Hawkins Family Organization

We hope you will contribute to the publication of **HAWKINS HERITAGE** - every issue, once a year, or whenever you like. It is from your submissions that our issues can maintain a large amount of information. Be your own editor and proofreader. We organize and print the material as is, or with minimal changes. Please follow these guidelines for your submission.

1. Use standard 8 1/2 inch paper.
2. Try to leave a one inch margin on the top and sides and 1 1/2 inches on the bottom.
3. Type, print, or write legibly. Dark black ink copies the best.
4. Use one side of your paper only.
5. If an item is larger than 8 1/2 x 11, and you are unable to reduce it, then send it as is to the editor to reduce.
6. Your submission may be written as a letter to the members, the editor, an article with title and author, a question or an answer to the members, or copies of documents, maps, etc.
7. If you are sending copyrighted material, we cannot use it without the complete source. Please give the title, author, publisher, copyright date, and page. If it is not copyrighted, please cite the source so that credit may still be given.
8. If you want your submissions returned, please provide return postage.
9. If you send family group sheets, number each sheet in the order that it is to be interpreted. This is extremely important especially if it is used in our publication, but also for my indexed files.
10. Put your name or initials on *every* page you send.
11. Please put the date on your letters as well as on the material you submit. It is helpful if you use an inside address on your letters. I file your letters but not the envelopes in my notebooks.
12. If you are a new member, it is hoped that you will send a family group sheet or pedigree chart.
13. We urge our members to take advantage of submitting queries. You may do this once a year, and they can be in "standard" form or in letter form. Since we have new members all the time, your query will still be new to them.
14. Suggestions welcomed.

Dates of submission: The following dates are approximate. Sometimes I receive too much for the next issue, and at other times, I might need a little more.

By February 28 for the April issue.

By June 30 for the August issue.

By October 15 for the December issue.
