## **HAWKINS HERITAGE**

Published by The Hawkins Family Organization  
Olyve Hallmark Abbott, Editor

**PURPOSE:** The Hawkins Family Organization began in 1985. It is conducted by mail and has no scheduled meetings. We want to promote genealogical research on Hawkins families and related lines; to promote and share family history; and to strengthen extended family ties.

**NEWSLETTERS:** *HAWKINS HERITAGE* is published three times a year in April, August, and December. We encourage members to contribute material to the editor. It is preferable if you type your material, but if not convenient, please share it anyway. Write your name or initials on each page.

**QUERIES:** Members are also encouraged to send queries to the editor. Send enough to cover your questions. Please include siblings whenever possible.

**MEMBERS AND SUBSCRIPTIONS:** We began *HAWKINS HERITAGE* with the hope of identifying the parents of James and Margaret ? Hawkins, b. c1765 and 1768, probably in Virginia. Taxation records show that they lived in Stafford CO Virginia from 1793 until 1825, when they migrated to Clark CO Kentucky. One son, John R., married into the Hawkins/Bourne line, which may be a connecting branch of the above James. Because of an apparent need for group research, our publication is now open to descendants of all Hawkins lines.

Individual membership and subscription is \$12 per year. Contributing Membership and subscription is \$20 per year (may vote.)

Subscriptions begin with the April issue. Subscribers during the membership year may receive back issues of the current year or begin with the next year and pay for and single back issues, which are \$4 each. The 1st issue: December 1986; 2nd, April 1987; then three issues per year beginning April 1988 to current.

**PEDIGREE SERVICE:** You are welcome to send your Hawkins pedigree chart to be checked with our collection. You will be given any additional information which we might have on file, that would match up with your own. Your chart will be filed for possible future contact. Our ancestor files deal mostly with Hawkins of the south and southwest, but we do have some other areas. Cost of this service is \$1 to cover search and photocopies, plus SASE.

Happy 2001

Dear Cousins,

With more than a little bit of luck in 2001, perhaps you will locate the Hawkins you have been looking for. I would like to think *Hawkins Heritage* can help.

As you know, our subscription year begins with the April issue. . . and sometimes it has been mailed later than April. Printing costs seem to go up each year and this year was definitely no exception! I get the best price if I wait to see how many copies we need and I don't know that until the current subscription list comes in.

Subscriber James Malcolm Hawkins has submitted his Hawkins lineage, beginning in England in the 1600s. The first of this information will appear in our August issue.

Thank you, James!

Please do send in your queries or other Hawkins information, whether or not it is your line. It may be the line of another *Hawkins Heritage* member. Besides, we depend on you!

P.S. – *Ghosts in the Graveyard: Texas Cemetery Tales* should be out in July. Research for this book has taken me hundreds of miles and over (or through) many barbed wire fences to country graveyards. Included are chapters on early Texas burial traditions, Texas cemeteries, and gravestone symbols and epitaphs, all written with humor. What a challenge this was. I met some great people, especially in smaller towns' museums, newspaper offices, and libraries. I learned much about their areas' history while looking for ghostly apparitions!

## Research Notes

Mic Barnett writes an interesting column, "Your Family Tree," in the *Houston Chronicle*. In the July 29, 2000 issue, he reports of a project begun by the USGENWEB. They call it the "USGENWEB Tombstone Transcription Project."

It is an attempt to publish on the Internet the inscription of gravemarkers from all over the United States. The organization is hoping for volunteers to visit cemeteries near their home and transcribe the inscriptions, then publish them on the project's website.

A site exists for every state. They have a list of cemeteries with hyperlinks in each county that has transcribed cemeteries. After clicking on the hyperlink, names, dates, etc. that have been transcribed by the volunteer will appear.

Note: This is one great project, so if you have access to the Internet, you may want to look forward to it.

In the November 2000 issue, Mr. Barnett gives information concerning the Cherokee culture. This course, offered by the Cherokee Cultural Society was offered last

December. I mention it because if you are from Cherokee lineage, other towns or cities may present the same. It was taught by Cherokee Nation certified teachers.

In one of Mr. Barnett's columns, he lists The BCG Genealogical Standard Manual Millennium Edition, designed to clarify, edify, and organize the generally accepted uniform standards of genealogy. It is organized in four sections: From standards for writers, researchers, and teachers, as well as furthering skill development, to a subject index to the text.

Mr. Barnett says the Standards Manual should be "read and re-read by researchers wishing to conduct accurate, reliable and credible genealogical research."

Incidentally, if you do have Cherokee ancestry, you might be interested in the book by Devon Mihesuah: *Cultivating the Rosebuds: The Education of Women at the Cherokee Female Seminary, 1851-1909*. Another of her books, *American Indians: Stereotypes & Realities* is in its 5<sup>th</sup> printing. Dr. Mihesuah's *The Roads of My Relations* gives a strong sense of Choctaw culture from the Indians' removal from Mississippi to Indian Territory. This book just won the Oklahoma Writers Federation's award for "Best Fiction Book of 2001." If you have Indian heritage, you might like to check out her website: <http://jan.ucc.nau.edu/~mihesuah>

From the *Hoosier Genealogist*, September, 1994:

**QUICK BIBLE**

Family Register

**Willard A. Quick** and **Carrie Hazel Hawkins** were united in Holy Matrimony on 28 Aug. 1917, Danville, Ill.

(This Bible was found in a Goodwill Store in Indianapolis.)  
Editor's note: Several years ago, a friend and I went antiquing and found a very old Hawkins Bible from New York state. Somehow the Bible had found its way to Fort Worth. I photocopied all the family records and mailed them to a Californian whose name, along with names from the Bible, I had seen on the microfiche at one of our local LDS Family Centers. Believe it or don't, this was his family! Anybody out there found a Bible with James (ca1765) and Margaret Hawkins' names in it?!

## WALTER R. HAWKINS

*Hawkins Heritage* member, Wanita Lucas, recently "caught up" with Sally Hathaway, a Hawkins researcher. I had not been fortunate to contact her for two years. Sally descends from James and Margaret Hawkins, through one of their sons, Walter R. Following is a section of her lineage. Incidentally, Sally now has more information on her Walter R's siblings and we have more information on her Walter R. Hawkins family.

If you descend from this line, please note the change Sally gives from the December 2000 issue: On page 26 where it lists Walter Hawkins--William R. Hawkins, the wife's name is incorrect.

William R. married Elizabeth Bartlett and they had Charles E. Hawkins, Sally's ggrandfather. Charles married three times: Anne Lamb, Della Gilbert, and Ellen Jamima Stinnett Jacobs. He had no children with Anne, had children with Della and Ellen. It is also posted incorrectly on the LDS site.

Sally Hathaway has Elizabeth's Bartlett Hawkins' death page copy and it show William R. Hawkins as her husband. Her father was Syllis Bartlett and her mother was Barbara McDaniel.

## General John Parker Hawkins

General John Parker Hawkins became interested in researching his family history in the late 1800s. In the past, *Hawkins Heritage* has included segments of his letters. The Kentucky Historical Society has his original correspondence. The general's major line included Philemon Hawkins and many descendants with the same given name.

I thought it might be of help to you if I listed many of the names of those who wrote to the general. Often, these letters contain lists of the writers' family members whether or not they are related to General Hawkins. Some people wrote more than one letter. They are still Hawkins branches.

I am including the writers, the location from which the letters were written and the date:

Notice at the bottom of Dr. Gano's letter on the following page:

I do not know who wrote the first paragraph beneath the letter, although it looks to be the same hand as whoever transcribed the original letters.

However, it looks as if the rest of the note was written by John O. Hawkins.

Mr. John Hawkins I very well recollect, and in 1804 he helped to organize the town of Georgetown and was elected one of the Trustees of the town. He was a Clerk of the Court and a Magistrate of County. If he served in the Legislature the records will show -

Mr. John Hawkins and his brother Martin sold goods here for many years. He removed with his family and his son Strother H. soon after the War of 12 & 15, and settled in Christian County and died there I think about the year 1825. I knew I suppose a Grand-son Hawkins Clason son of Nancy Clason. They removed to Missouri about the same time.

Respectfully & truly  
(sigd) S. F. Gano,  
M. D.

I think the writer is mistaken about Martin being the son of this John Hawkins - for Martin was a son of John H. of <sup>Hannover Co.</sup> ~~Virginia~~ - Martin had a brother John but it is probable he died in ~~Virginia~~ <sup>Ohio</sup> Co. Va. never emigrated to Kentucky - Martin was a brother of Mildred H. who married Percival Butler of Ashland of Genl W. O. Butler. In 1897 - my guess is right - as to relationship of Martin and the John H. a name named - however is mentioned John Hawkins of Norfolk. it is mistake owing to the name of Mr. H. Hawkins - his letter to me - that John H. was of ~~Hannover~~ <sup>Hannover</sup> County -

Mrs. M. A. Hawkins.

Raleigh, N. C., March 7<sup>th</sup> 1898.

Dear John P. Hawkins.

Dear Sir:

Your letter to my husband received this evening and as he is absent in Florida will write a few lines myself. He has suffered for twenty years or more with rheumatism and goes South every winter to his Orange Groves to avoid the severest part of our winter, he will be delighted to receive yours which I forward tomorrow, after opening and enjoying. Like yourself he is very much interested in his ancestry and will be delighted to find some one else equally interested and can give you a great deal of information. He has been able to trace back to Sir John Hawkins, knighted by Queen Elizabeth in 1588 and has the family court of Arms. Sir John was born in Plymouth England 1520 died 1595. it is impossible for me to do the subject justice I will leave it to Dr. Hawkins. You can get a good deal of information from Harper's New Monthly No. 394 January 1893. As there is a prospect of your coming East how very nice it would be for you and the doctor to discuss this interesting subject in person, and we hope to have both you and your wife make us a visit when we will endeavor to make you feel as one of us.

Remember me to your wife.

Yours sincerely,

(sigd.) M. A. Hawkins.

Dr. Hawkins' Address is

Rutland P. O.

Sumpter County,

Florida

#### **Query #1**

I am attempting to confirm the ancestors and descendants of John HAWKINS, b. 1806 in Person. Co. NC, d. after 1850. He is believed to have first married Jane (Jennie) BURCH (Jan 24, 1827, some indicate she was 2<sup>nd</sup> wife July 24, 1848), secondly to Mary L. LIPSCOMB (Nov. 18, 1835 ), and thirdly Elizabeth L. MORTON (Aug. 9, 1859). He is believed to have had the following children: (William) Calvin HAWKINS, b. Dec. 6, 1827 and Elizabeth Catherine HAWKINS, b. 1840. Several researchers and sources have conflicting data and I'm trying to solidify this weak link in my family tree. I'm willing to share information that I have collected.

#### **Query #2**

Ephraim HAWKINS, Sr. Was born in Baltimore County, Md., July 8, 1761 and at "an early period" moved to Orange Co., North Carolina. He married Nancy Ann FARMER on May 1, 1788 in Caswell Co. NC. (a portion of Orange Co. was subdivided into Caswell Co. and later into Person Co.) Ephraim served in the Revolutionary War. Circumstantial information indicates that Ephraim had 2 brothers, John and Joshua, and that they were the children of William HAWKINS b. Jan. 20, 1726 and Mary WOODS b. September 23, 1720 and appear to have married by 1749 when mentioned in her brother's will. Would like to know why they moved to NC. I am seeking information on this family's descendants and ancestors. I'm willing to share information that I have collected.

## Welcome to The Hawkins Family Organization

We hope you will contribute to the publication of *HAWKINS HERITAGE* -- every issue, once a year, or whenever you like. It is from your submissions that our issues can maintain a large amount of information. Be your own editor and proofreader. We organize and print the material as is, or with minimal changes. Please follow these guidelines for your submission.

1. Use standard 8 1/2 inch paper.
2. Try to leave a one inch margin on the top and sides and 1 1/2 inches on the bottom.
3. Type, print, or write legibly. Dark black ink copies the best.
4. If an item is larger than 8 1/2 x 11, and you are unable to reduce it, then send it as is to the editor to reduce.
5. Your submission may be written as a letter to the members, the editor, an article with title and author, a question or an answer to the members, or copies of documents, maps, etc.
6. If you are sending copyrighted material, please give the title, author, publisher, copyright date, and page. If it is not copyrighted, please cite the source so that credit may still be given.
7. If you want your submissions returned, please provide return postage.
8. If you send family group sheets, number each sheet in the order that it is to be interpreted. This is extremely important especially if it is used in our publication, but also for my indexed files.
9. Put your name on *every* page you send.
10. Please put the **date** on your letters as well as on the material you submit. It is helpful if you use an **inside address** on your letters. I file your letters but not the envelopes in my notebooks.
11. If you are a new member, we hope you will send a family group sheet or pedigree chart.
12. We urge our members to send queries. You may do this once a year, and they can be in "standard" form or in letter form. It may be helpful to print it again since we have new members all the time.

Suggestions welcomed.

Dates of submission: The following dates are approximate. Sometimes I receive too much for the next issue, and at other times, I might need a little more.

By March 15 for the April issue

By July 10 for the August issue.

By November 1 for the December issue.
