If the record of this most large family was kept complete for the next 100 years it would require many such sheets as this and contain over 10000 names.

By searching old records of South Carolina this family can be traced farther back. The first censuses of U.S. might reveal such names as Basil, Thomas & Joseph Hill that would be a key to station to keep.

There is another Hill family of Hill related to us recorded at the top of this page. Guilford Bass' family of Conner Ill and B. Ernest Prater of Camden are descendants.

Go to a book store and get a block of Fabers Kneadable pencil eraser and erase all marks of pencil and other stains before having the record framed.

THE FIRST UP-DATE MADE TO THIS ORIGINAL WAS MADE BY MILTON A. HILL IN 1968. THE HILL FAMILY OF ANDERSON V. HILL OUT GREW THE FRONT OF THIS RECORD, SO I STARTED A SECOND SHEET WITH MY GRANDFATHER ANDERSON V. HILL AT THE TOP. WE BOTH HAD THE SAME NICK NAME "ANDY". COPIES OF THIS UP-DATED ORIGINAL WILL BE GIVEN TO MY BROTHERS, DAVID & LELAND. M. A. Hill 2-8-72.
