S. M. PETTINGILL & CO., No. 37 Park Row, New York...

BLANKS.—Warranty, Trust, and Quitclaim Deeds; Personal and Real Estate Mortgages...

ADVERTISEMENTS.—to be inserted in the next issue, must be handed in by 9 o'clock on Tuesday morning.

ESTRAYS.—See advertisements of L. Rayles, who has lost a bay mare, and Gideon Putnam, who has lost a bay colt.

BELLOWS FOR SALE.—See advertisement in another column, offering blacksmith's bellows for sale, at W. Thompson's shop.

SHEEP.—Mr. Burnett, of Big Grove, will sell a lot of sheep at auction, next Wednesday. Here's a chance for bargains. See advertisement in another column.

Line of Mrs. L. B. Rice advertised in our paper, to-day a kind of newly burnt lime, which he says is a splendid article, and which he is offering for sale at his kiln, two and a half miles above Vinton.

BENTON CITY MILLS.—These mills have recently undergone thorough repairs, and are again in fine order and ready to fill the orders of customers, either for flour or lumber, on short notice. See advertisement elsewhere in this paper.

THE NEW CEMETERY.—Our citizens should at once secure lots in the new cemetery. This will enable the proprietors to fence and properly improve the same at an early day. We shall speak of this matter more at length next week.

SCHOOL BOOKS.—Mr. H. N. Palmer, of the Vinton Book Store, has just received a large invoice of all kinds of school books, such as are used in the schools of the county. Those in need of books will know where to find them. He has also a full supply of stationery.

TO REAL ESTATE AGENTS.—If, at the end of each month, you will furnish us with a report of your transactions for the month we will publish the same gratis. This would be a matter of information to readers, as well as advertise your business. Will you furnish the report?

ENLARGED AND IMPROVED.—The Marshall County Times comes to us enlarged to an eight column sheet, printed on new type, and otherwise improved, mechanically, and also very materially editorially. It is now one of the neatest, largest and best papers in the State, barring some half a dozen of the larger city papers...

TO THE LADIES.—The attention of our lady readers is especially called to the advertisement of Mrs. Graham, which appears among the new advertisements in this paper. She has a splendid stock of goods, just such as the ladies need, and will have, let them cost what they will, besides furnishing the ladies with these fine goods, Mrs. G. will also cut, fit and make, any article pertaining to ladies' or children's dress, at short notice. Give her a call, and satisfy yourselves as to the truth of what we say.

WOOD.—This indispensable article is becoming unprecedently scarce, and exorbitantly high in the Vinton market. Why do not parties having wood to sell, bring it to town while the price is up? As soon as the river freezes over, the price will again come down to reasonable figures. Now is the time to bring in your wood, gentlemen, if you wish to realize a good price for it.

Work was commenced on the Cedar Rapids & St. P. R.R. last week, in the vicinity of Shellsburg; and several hundred feet graded and ready for the ties. We shall reserve our jubilation until the road is completed to Vinton. It is an easy matter to "break ground," but it takes time and money to build a railroad.

EVERYBODY AND THEIR WIFE TAKE NOTICE, ESPECIALLY THEIR WIFE.—The undersigned having entered into partnership in the milliner business, feel that they can offer superior inducements to one and all who give them a call! Having a large stock of goods, purchased partly in New York and other eastern cities, and partly in Chicago, they feel that they can satisfy the demands of the most fastidious. Anything belonging to the milliner business can be found with us. Also a large assortment of dress trimmings, a very choice lot of buttons, buckles, combs, scarf-pins, and other fancy articles, never before exhibited in our town. Ladies one and all, give us a call. Dress and cloak cutting, and making done promptly. Children's clothes made in every variety of style. Patterns received monthly from the East. Embroidery, stamping, French quilting and picking done on short notice. Gent's shirts made to order. Ladies dresses fitted at their homes, if desired. All business matters previous to Nov. let. settled with Mrs. S. G. Hallack. It is necessary that all outstanding bills be paid into her hands as soon as possible. Business hours, from eight A. M. till six P. M.

PETerson's MAGAZINE.—We are in the receipt of this popular Lady's Magazine for December. It is a splendid number. The principal engraving, "Papa, Papa," is one of great beauty. For many years "Peterson's Magazine" has had a larger circulation than any other monthly in the United States. In 1886 it will be greatly improved. THE READING MATTER WILL BE INCREASED, AND EACH NUMBER WILL CONTAIN A DOUBLE-SIZE STEEL FASHION PLATE, ELEGANTLY COLORED, with from four to six figures—making "Peterson's" the cheapest in the world. The terms will remain two DOLLARS A YEAR to single subscribers. To clubs it is cheaper still, viz: five copies for \$6.00, eight copies for \$12.00, or fourteen copies for \$20.00. To every person getting up a club (at these rates), the Publisher will send an EXTRA COPY GRATIS. Specimens sent (if written for) to those wishing to get up clubs.

THE REAL ESTATE BUSINESS.—The real estate business is rapidly increasing in this county. Sales of farms, improved land or town property, are made almost every day, by some of the numerous agencies in Vinton and elsewhere. Property never changed hands more briskly since the first settlement of the county; and we see by our exchanges, that equal life in the real estate trade pervades every part of the country. Immigrants are coming into this county by the score, and settling up our fine prairies, while many of our thrifty farmers are adding another "forty," or a quarter section, to their already large and well improved farms. At the present rate of sales, it will take but a few years to render the list of non-resident lands in Benton county extremely small. Prominent, and we should judge foremost, in the list of real estate agents in this county, stands the firm of J. C. Traer & Co., of this town. We infer this, from the long schedule of property they continually keep before customers, and to which changes are constantly being made, as certain tracts are disposed of and others put into the market. In fact this is becoming an important branch of their business, and one from which they are deriving large profits, while at the same time they are extending an accommodation to customers, by negotiating purchases and sales which the parties themselves could not readily do. In view of this, our advice to persons wishing either to purchase or sell property of this kind, would be to place their business in the hands of thorough-going and responsible agents, such as you will meet with in the firm of J. C. Traer & Co.

THE HORRORS OF INDIGESTION.—You complain of your stomach, unfortunate to dyspepsia but do not get your stomach to complain of you? Possible the pains you endure are simply the stomach's method of expressing revenge upon you for neglecting and abusing it. Perhaps you have never made an effort to improve its condition, but on the other hand are continually cramming your stomach with unwholesome and incongruous food. Have you ever tried HOSSETTER'S STOMACH BITTERS—a proper diet and regular meals? The Bitters in a weak stomach put on a positive apparatus of digestion, regulate the flow of bile in accordance with the laws of health, and produce just so much digestive action as would be necessary for your good; and when you were once all right, judicious and regular dieting, with a little of the Tonic you and then, would keep you so. If you have neglected these means of cure, do not blame your stomach for its rebellion. It is merely nature's hint that she wants help. If you neglect it, the next thing may be indigestion, or Scirrhus Cancer, or some other violent and dangerous disease. There is such a thing as being too late in these matters. HOSSETTER'S BITTERS will cure Dyspepsia; but Dyspepsia may engender diseases which defy all restoratives.

THE NEW YORK OBSERVER.—A Weekly Religious and Secular Newspaper for the Family and the Friend, will soon appear on its own paper, published by the Rev. J. C. Traer & Co., of Vinton, Iowa. It will be published every week, except on Sundays and public holidays. It will contain a full and complete list of all the news of the day, and will be published at a low price. It will be published at a low price. It will be published at a low price.

Business education for disabled soldiers. Extraordinary inducements offered to disabled Union soldiers who desire to obtain a thorough commercial education, at Bryant Stratton and Merrill's Commercial College, Dayton, Ohio. Always go to the best. Send for a circular. 11-13-8m

Who'll Trade?—We wish to exchange our No. 6 Washington Press for one of a smaller size, say a No. 4, and will give a good bargain to any one desiring to trade. Our press is comparatively new and in good order. 29-4f

Special Notices.—THE BRIDAL CHAMBER, an Essay of Warning and Instruction for Young Men—published by the Young Men's Association, and sold of charge in sealed envelopes. Address Dr. J. SKILLING HUGHSON, Howard Association, Philadelphia, Pa. 10-48-1y

Mr. HANFORD.—Please let everybody and his wife and the rest of his children know that I have removed my office into Dr. Foppert's new building, one door north of Mrs. Jallagha's grocery store, where I am prepared to dispense "crowns of gold" to those who have neglected their teeth until the natural ones are crumbling away. Also every variety of mechanical dentistry, using gold, silver, and vulcanite as bases for mounting teeth, with all the modern improvements. Yours truly, P. C. BRANCH, Dentist. 28f
